Purple Hearts And Wounded Spirits:

Strong Hearts, Wounded Souls Tom Holm, 2010-07-22 An all encompassing study Holm shows the interconnecting historical social and psychological attributes of Native American veterans Historynet.com At least 43 000 Native Americans fought in the Vietnam War yet both the American public and the United States government have been slow to acknowledge their presence and sacrifices in that conflict In this first of its kind study Tom Holm draws on extensive interviews with Native American veterans to tell the story of their experiences in Vietnam and their readjustment to civilian life Holm describes how Native American motives for going to war experiences of combat and readjustment to civilian ways differ from those of other ethnic groups He explores Native American traditions of warfare and the role of the warrior to explain why many young Indigenous men chose to fight in Vietnam He shows how Native Americans drew on tribal customs and religion to sustain them during combat And he describes the rituals and ceremonies practiced by families and tribes to help heal veterans of the trauma of war and return them to the white path of peace This information largely unknown outside the Native American community adds important new perspectives to our national memory of the Vietnam war and its aftermath An overview of one kind of serviceman about which nothing substantive has been written the Native American A fascinating introduction to the role of military traditions and the warrior ethic in mid 20th century Native American life Library Journal

Wounded Soldiers - Operating With A Wounded Spirit Monica Gerald-Brinson, 2016-05-31 The spirit is the source of our life the center of our being When the spirit is damaged wounded or corrupted in any way the ability to relate or communicate normally with others and God becomes polluted and hindered **A Cultural Dictionary of Punk** Nicholas

Rombes, 2010-06-01 Neither a dry as dust reference volume recycling the same dull facts nor a gushy gossipy puff piece A Cultural Dictionary of Punk 1974 1982 is a bold book that examines punk as a movement that is best understood by placing it in its cultural field It contains myriad critical listening descriptions of the sounds of the time but also places those sounds in the context of history Drawing on hundreds of fanzines magazines and newspapers the book is in the spirit of punk an obsessive exhaustively researched and sometimes deeply personal portrait of the many ways in which punk was an artistic cultural and political expression of defiance A Cultural Dictionary of Punk is organized around scores of distinct entries on everything from Lester Bangs to The Slits from Jimmy Carter to Minimalism from Dot Dash to Bad Brains Both highly informative and thrillingly idiosyncratic the book takes a fresh look at how the malaise of the 1970s offered fertile ground for punk as well as the new wave post punk and hardcore to emerge as a rejection of the easy platitudes of the dying counter culture The organization is accessible and entertaining short bursts of meaning in tune with the beat of punk itself Rombes upends notions that the story of punk can be told in a chronological linear fashion Meant to be read straight through or opened up and experienced at random A Cultural Dictionary of Punk covers not only many of the well known now legendary punk bands but the obscure forgotten ones as well Along the way punk's secret codes are unraveled and a critical time in

history is framed and exclaimed Visit the Cultural Dictionary of Punk blog here **Heroes of Purple Heart Ranch** Shanae Johnson, 2022-10-06 In this collection of wholesome military romance novels Active Duty Retired Veterans and Wounded Warriors all come to find out that love can truly heal all wounds in these light hearted sweet romances of convenient arrangements that unfold into lasting love on the Purple Heart Ranch In On His Bended Knee in order to save his beloved ranch for wounded veterans Dylan must get married Maggie needs to find a home for her and her special needs dogs A marriage of convenience could solve both their problems but can two wounded souls believe in the power of true love In The Rancher takes his Convenient Bride insta love alters the plan when an Army Ranger makes a calculated deal to wed a female rancher in a modern day marriage of convenience In His Pledge to Honor a general's daughter can rehabilitate the most wounded of horses But when an injured soldier shows up at her ranch as part of her father's last command will she follow his lead down a trail of love In His Vow to Love Air Force Pilot Charlie Matthews has flown to the farthest reaches of the world but he can never seem to reconnect with his first and only love Will their latest reunion finally land them on a path to forever

The Spirit to Soar Jim Petersen, 2021-11-09 On January 23rd 1967 Lt Colonel Barry Bridger and his copilot Dave Grey launched a mission over Vietnam in their Phantom F 4 fighter jet in treacherous weather It was Colonel Bridger's 75th mission and the only one he had attempted in the daylight hours Suddenly his plane was split in half by a ground to air missile He and Grey ejected while the plane was going 600 miles per hour and began their descent into the unknown below When Bridger finally landed on terra firma he found the North Vietnamese army waiting for him They arrested him and Grey and checked them into The Hanoi Hilton a place designed to break the spirit of all who entered Lt Colonel Bridger not only survived this horrific ordeal he thrived He says his deeply held values saved him and his fellow prisoners Are your values compelling enough and ingrained deeply enough to sustain you through a situation in which like Barry you are captured by a savage enemy and subjected to years of torture Are your values such that you can make it through the inevitable tough times we all face periodically that make it hard to continue The Spirit to Soar is filled with valuable life lessons about how to thrive and how to use every experience to help you successfully face the next one **I'm OK-You're OK** Thomas A. Moore,2015-10-26 In the wake of the September 11th terrorist attacks on the United States Christian educator Brian Moore found himself unable to quiet the horror and rage in his heart When his unit of the Army National Guard deployed to Iraq about a year later he gladly took up his gun prepared to seek justice for his country Yet from his first step into a battle zone in the Middle East it became clear that his expectations of Iraq its people and war in general would be challenged From occupying one of Saddam Hussein s former palaces along the Tigris River to trekking through the Himalayan Mountains during a tour in Afghanistan Moore details his war time experiences with honesty directness and grit His physical and spiritual strife while abroad changed his relationship with God and his fellow men while reminding him what it means to be a witness for Christ even to one s enemies Brian s journey is inspiring and challenging an exploration of overcoming the spiritual issues of war A portion of sales from this book will go toward charitable organizations supporting veterans **the quiver** ,1865
