The Purpose Driven Life Rick Warren, 2007-02-17 You are about to embark on a journey of discovery. Throughout this six-session video-based study taught by Rick Warren, you are going to discover the answer to life's fundamental question: What on earth am I here for? And here's a clue to the answer: It's not about you. You were created by God and for God, and until you understand that, life will never make sense. It is only in God that we discover our origin, our identity, our meaning, our purpose, our significance, and our destiny. Every other path leads to a dead end. The Purpose Driven Life DVD Study Guide is designed to be used with The Purpose Driven Life DVD. Whether you are going to experience this adventure with a small group or on your own, this six-session video-based study will change your life. This study has been used by over four million people during the 40 Days of Purpose Campaigns in churches all over the world. When combined with the reading of The Purpose Driven Life, the book Publishers Weekly declared the bestselling nonfiction hardback in history, this study will give your small group the opportunity to discuss the implications and applications of living the life God created you to live.

From Sin to Disease Jonathan K. Okinaga, 2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism, a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions. The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous (AA) through their bestselling The Big Book of AA and the introduction of the 12 Steps. AA's influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature. Addictions were once viewed as an issue caused by sin and best addressed through faith and

prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue **What's My Purpose** Jim L. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
