Pyongyang A Journey In North Korea

Paul Fischer

Pyongyang A Journey In North Korea:

Pyongyang Guy Delisle, 2017-05-04 Famously referred to as part of the Axis of Evil North Korea remains one of the most secretive and mysterious nations in the world today A series of manmade and natural catastrophes have also left it one of the poorest When the fortress like country recently opened the door a crack to foreign investment cartoonist Guy Delisle found himself in its capital Pyongyang on a work visa for a French film animation company becoming one of the few Westerners to witness current conditions in the surreal showcase city Armed with a smuggled radio and a copy of 1984 Delisle could only explore Pyongyang and its countryside while chaperoned by his translator and a guide But among the statues portraits and propaganda of leaders Kim Il Sung and his son Kim Jong Il the world's only Communist dynasty Delisle was able to observe more than was intended of the culture and lives of the few North Koreans he encountered His astute and wry musings on life in the austere and grim regime form the basis of this remarkable graphic novel Pyongyang is an informative personal and accessible look at an enigmatic country

Re-Imagining North Korea in International Politics Shine Choi, 2014-11-20 The global consensus in academic specialist and public realms is that North Korea is a problem its nuclear ambitions pose a threat to international security its levels of poverty indicate a humanitarian crisis and its political repression signals a failed state This book examines the cultural dimensions of the international problem of North Korea through contemporary South Korean and Western popular imagination's engagement with North Korea Building on works by feminist postcolonial thinkers in particular Trinh Minh ha Rey Chow and Gayatri Spivak it examines novels films photography and memoirs for how they engage with issues of security human rights humanitarianism and political agency from an intercultural perspective By doing so the author challenges the key assumptions that underpin the prevailing realist and liberal approaches to North Korea This research attends not only to alternative framings narratives and images of North Korea but also to alternative modes of knowing loving and responding and will be of interest to students of critical international relations Korean studies cultural studies and Asian studies

Een Kim Jong-Il productie Paul Fischer, 2016-01-30 Propagandafilms wil Kim Jong Il dictator in wording laten maken In 1978 laat hij daartoe het gouden echtpaar van de Zuid Koreaanse cinema ontvoeren Actrice Choi Eun Hee Choi zit vervolgens vijf jaar gevangen onder redelijk luxe omstandigheden Regisseur Shin Sang Ok Shin echter die twee keer probeert te ontsnappen wordt gehersenspoeld en gemarteld Als Shin er uiteindelijk mee instemt films voor Kim Jong Il te maken wordt hij herenigd met zijn vrouw Gedurende drie jaar maken ze propagandafilms terwijl ze ondertussen een ontsnapping plannen In 1986 lukt het ze om in Wenen de Amerikaanse ambassade binnen te komen Een Kim Jong Il Productie is een fantastisch geschreven verhaal over een gesloten land op een beslissend moment in zijn geschiedenis Waar wacht filmproducent Paul Fischer nog op om zijn eigen boek te verfilmen

North Korea on the Brink James Glyn Ford, Soyoung Kwon, 2007-11-20 North Korea's development and testing of nuclear weapons made headlines in the Western media but is the country really a threat to the rest of the world This accessible introduction examines the country's history

and focuses on whether the threat is realistic or exaggerated by the US in order to gain international support for the controversial missile defence system It also shows what the EU can do to engage with North Korea and counterbalance the US policy of isolationism North Korea is struggling to survive in the face of US threats of pre emptive action and regime change by developing its own Weapons of Mass Destruction For the EU the challenge is to resolve this stand off providing North Korea with sufficient security guarantees to enable them to give up their nuclear weapons and enough assistance to enable the economic and social reforms that the country so desperately needs Pyongyang Guy Delisle,2007-02 Pyongyang nos permitir descubrir c mo es la vida en Corea del Norte vista por un dibujante canadiense que se marcha a trabajar como supervisor de dibujos animados europeos realizados en la capital norcoreana Estamos ante un libro que refleja de forma magistral el d a a d a en uno de los reg menes totalitarios m s cerrados del mundo Las sorprendentes an cdotas que cuenta el autor sirven de contrapunto frente al horror de la dictadura Pyongyang es un reportaje apasionante realizado por un autor dotado de una mirada aguda y nada complaciente Historical Dictionary of Democratic People's Republic of Korea James E. Hoare,2019-09-04 As Kim Jong Un approaches the seventh anniversary of his coming to power he has pushed the military back The modified Constitution adopted in 2016 saw the demotion of the National Defense Council in favor of a new State Affairs Council which was a more party and government dominated body He has put his own men and women into positions of authority Sanctions are an irritant yet are already weakening as a result of first ever meeting between a DPRK leader and a U S president took place in June of Singapore as well as a string of North South meetings covered issues such as family reunions and railway and road connections Military talks also ed to the demilitarization of Panmunjom Since then Japan wants to talk and even the Pope may visit This second edition of Historical Dictionary of Democratic People s Republic of Korea contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Democratic People s Republic of Korea **The Footnotes** Ray Stickle,2013-09-19 There was the thin man up the beach walking with a noticeable limp pinched eyeglasses perched on his nose a pair of white slacks and a billowing white shirt his Korean face further hidden by a low worn white sun hat Galden had been following the man for more than a week An easy job for a beach bum But a trip to South Korea soon changes things Because the thin man on the beach has a history steeped in the shadows of the country he served the country he fled North Korea Galden soon finds himself involved with a sociopathic gangster hell bent on uncertain ends an ex military elite on a mission of vengeance spurred on by his traumatized wife a beautiful woman who hides her identity behind a slowly crumbling fa ade and perhaps most threatening of all his own alcohol addled conscience s attempt to grapple with hard decisions How Galden navigates the kidnappings explosions and betrayals will determine whether he has an impact on the outcome or becomes nothing more than just a footnote to the affair **The Dismantling of Japan's Empire in East Asia**

Barak Kushner, Sherzod Muminov, 2016-12-08 The end of Japan's empire appeared to happen very suddenly and cleanly but as this book shows it was in fact very messy with a long period of establishing or re-establishing the postwar order. Moreover, as the authors argue, empires have afterlives which in the case of Japan's empire is not much studied. This book considers the details of deimperialization including the repatriation of Japanese personnel, the redrawing of boundaries, issues to do with prisoners of war and war criminals, and new arrangements for democratic political institutions, for media, and for the regulation of trade. It also discusses the continuing impact of empire on the countries ruled or occupied by Japan, where, as a result of Japanese management and administration, both formal and informal patterns of behavior and attitudes were established that continued subsequently. This was true in Japan itself where returning imperial personnel had to be absorbed and adjustments made to imperial thinking, and in present-day East Asia where the shadow of Japan's empire still lingers. This legacy of unresolved issues concerning the correct relationship of Japan, an important energetic outgoing nation and a potential regional hub with the rest of the region, not comfortably settled in this era, remains a fulcrum of regional dispute.

Korean War Comic Books Leonard Rivas, 2021-05-11 Comic books have presented fictional and fact-based stories of the Korean War as it was being fought and afterward. Comparing these comics with events that inspired them offers a deeper understanding of the comics industry, America's forgotten war, and the anti-comics movement championed by psychiatrist Fredric Wertham who criticized their brutalization of the imagination. Comics, both newsstand offerings and government propaganda, used fictions to justify the unpopular war as necessary and moral. This book examines the dramatization of events and issues including the war's origins, germ warfare, brainwashing, Cold War espionage, the nuclear threat, African Americans in the military, mistreatment of POWs, and atrocities.

The complete travel guide for North Korea, At YouGuide we are dedicated to bringing you the finest travel guides on the market, meticulously crafted for every type of traveler. Our guides serve as your ultimate companions, helping you make the most of your journeys around the world. Our team of dedicated experts works tirelessly to create comprehensive up-to-date and captivating travel guides. Each guide is a treasure trove of essential information, insider insights, and captivating visuals.
