Kerry Crofton, 2009-06-01 *Radiation Rescue* 4 steps to safeguard your family from the other inconvenient truth the health hazards of wireless technology Prominent physicians and eminent scientists around the world are raising the alarm about the adverse health effects of wireless technology cell phones PDAs wireless Internet access headsets and more Most assume that if something is on the market it must be safe Surely this wireless technology was pre market tested before we flooded our homes offices schools and cities No it was not tested for safety and now leading scientists have the proof it is not And the government standards we rely on to protect us are out dated and not relevant to this type of exposure their safe levels have been shown to cause biological harm Nor is there any government or industry post market surveillance to monitor adverse health effects People of all ages rely on these increasingly high powered devices Its not only business people as it was not that long ago Parents provide their young children with cell phones believing it ensures their safety Young adults most have never had a corded landline chat and or text endlessly with pals around the country On the go soccer moms tap away on their PDAs while waiting for the children Many parents installed wireless baby monitors to keep their infants safe It is crucial that these consumers be informed that they know the proven dangers and the proven solutions To protect our families to save our health we dont have to give up the high tech gadgets we rely on and love we do need to use them differently K Crofton shows us how in *Radiation Rescue* In clear easy to understand language K Crofton gives readers the details tools coaching and resources they need to assess prevent and heal from the electro magnetic radiation exposure that surrounds us all An engaging narrative style will be consistent throughout the book with technical information references research and preventive measures for the healthy population Interventions of value are also provided for people with related symptoms and peer reviewed studies and clinical protocols are referenced for their doctors This informal interactive style written in scientifically accurate yet non technical language is well suited to readers of all ages *Wireless Radiation Rescue* Kerry

Crofton, 2010-07 *Radiation Rescue* safer solutions for cell phones and other wireless technologies **Dirty Electricity** Samuel Milham, 2012 When Thomas Edison began wiring New York City with a direct current electricity distribution system in the 1880s he gave humankind the magic of electric light heat and power in the process though he inadvertently opened a Pandora s Box of unimaginable illness and death *Dirty Electricity* tells the story of Dr Samuel Milham the scientist who first alerted the world about the frightening link between occupational exposure to electromagnetic fields and human disease Milham takes readers through his early years and education following the twisting path that led to his discovery that most of the twentieth century diseases of civilization including cancer cardiovascular disease diabetes and suicide are caused by electromagnetic field exposure In the second edition he explains how electrical exposure does its damage and how electricity is causing our current epidemics of asthma diabetes and obesity Dr Milham warns that because of the recent proliferation of radio frequency radiation from cell phones and towers terrestrial antennas Wi Fi and Wi max systems broadband internet

over power lines and personal electronic equipment we may be facing a looming epidemic of morbidity and mortality In Dirty Electricity he reveals the steps we must take personally and as a society to coexist with this marvelous but dangerous technology
