US Narratives of Nuclear Terrorism Since 9/11 David Seed, 2019-04-06 This study examines the US fiction and related films which makes a series of interventions in the cultural debate over the threat of nuclear terrorism It traces the beginnings of this anxiety from the 1970s which increased during the 1990s after the collapse of the Soviet Union The traumatic events of 9 11 became a major reference point for this fiction which expressed the fear that of a second and worse 9 11 The study examines narratives of conspiracies which are detected and forestalled and of others which lead to the worst of all outcomes nuclear detonations sometimes delivered by suitcase nukes In some of these narratives the very

fate of the nation hangs in the balance in the face of nuclear apocalypse The discussion considers cases of attacks by electromagnetic pulse EMP cyberterrorism and even bioterrorism Some of the authors examined are present or former politicians members of the CIA and former president Bill Clinton **Love & Bullets** Percival Constantine,Kyle Shire,2010-03-17 Angela Lockhart was a spy for a government agency but the death of her husband drove her away Only one man knows who killed her husband a power broker named Dante who leads an international organization of assassins But before he ll give Angela what she wants he needs her to do some work for him Further complicating matters is the involvement of another government operative playing a deadly game of deception to bring Angela back into the fold And soon Angela will have to decide what s more important avenging the past or living in the present **Ball Tales** Michelle Nolan,2014-11-26 This history of American sports fiction traces depictions of baseball basketball and football in works for all age levels from early dime novels through the 1960s Chapters cover dime novel heroes Frank and Dick Merriwell the explosion of sports novels before World War II and its influence on the authors who later wrote for baby boom readers how sports novels persisted during the Great Depression the rise and decline of sports pulps why sports comics failed postwar heroes Chip Hilton and Bronc Burnett the lack of sports fiction for females Duane Decker s Blue Sox books and the classic John R Tunis novels Appendices list sports pulp titles and comic books featuring sports fiction *Elric: Stormbringer!* Michael Moorcock,2014-12-22 Feared by enemies and friends alike Elric of Melnibone walks a lonely path among the worlds of the multiverse The destroyer of his own cruel and ancient race as well as its final ruler Elric is the bearer of a destiny as dark and cursed as the vampiric sword he carries the sentient black blade known as Stormbringer Containing the novel which perhaps did the most to propel Elric to the forefront of the fantasy genre along with associated short stories and other material this volume is a vital part of any fantasy reader s library With an introduction by Tad Williams this collection presents Moorcock s greatest creation in a revised and approved order *Wonder's Child: My Life in Science Fiction* Jack Williamson,2014-08-28 Science fiction legend Jack Williamson s classic autobiography is much more than the story of a single man s life and work it is an amazing look at the entire 20th century from the perspective of a man on a long search for endurable compromise with society Born in 1908 Williamson often felt at odds with the world around him and began writing science fiction as a method of escape His tentative entrance into the field his first story was published in 1928 in Hugo Gernsbach s legendary *Amazing Stories* soon transformed him from a pulp writer into one of the Grand Masters of science fiction Gloriana; or, The Unfulfill'd Queen Michael Moorcock,2014-12-22 Gloriana rules an Albion whose empire embraces America and most of Asia A new Golden Age of peace enlightenment and prosperity has dawned Gloriana is Albion and Albion is Gloriana if one falls so too will the other And Gloriana is oppressed by the burden this places upon her and by the fact that she remains incapable of orgasm The maintenance of the delicate balance that keeps Albion and Gloriana thriving depends on Montfallcon Gloriana s Chancellor and on his network of spies and assassins in particular on Quire cold

hearted seducer of virtue and murderer of innocence When Quire falls out with Montfallcon he forms an alliance with his greatest enemy and conceives a plan to ruin Gloriana destroy Albion the empire and the Golden Age itself But even the utterly ruthless Quire does not fully understand what he has set in motion when he persuades the Queen to fall in love with him Moorcock s masterly evocation of Gloriana s strange and secretive palace and of a vibrant London make this one of his most powerful and memorable novels The Warhound and the World's Pain Michael Moorcock,2014-12-22 This is the story of Ulrich von Bek a cynical mercenary who sells his skills as a soldier in the wars taking place all over Europe After the particularly horrific destruction of a city in which he played a role von Bek decides to desert the military company he was working for and travel alone for awhile before seeking further employment On his solo journey he happens upon a castle where he takes refuge with and then falls in love with the keeper of the castle the beautiful Sabrina It is in this castle that he meets Lucifer the master of Hell and finds out that his soul is already destined for Hell And so in exchange for his soul von Bek agrees to go on a quest for Lucifer namely to find the Cure for the World s Pain This quest is also known as the Search for the Holy Grail **Cooking with Fire** Paula Marcoux,2014-05-16 Revel in the fun of cooking with live fire This hot collection from food historian and archaeologist Paula Marcoux includes more than 100 fire cooked recipes that range from cheese on a stick to roasted rabbit and naan bread Marcoux s straightforward instructions and inspired musings on cooking with fire are paired with mouthwatering photographs that will have you building primitive bread ovens and turning pork on a homemade spit Gather all your friends around a fire and start the feast
