Punktur Punktur Komma Strik

Pétur Gunnarsson

Punktur Punktur Komma Strik:

Punktur punktur komma strik Pétur Gunnarsson, 1976 *A History of Icelandic Literature* Daisy L. Neijmann, 2006-01-01 As complete a history as possible of the literature of Iceland *Skandinavische Literaturgeschichte* Jürg Glauser, 2016-09-14 Die Geschichte der skandinavischen Literatur erstmals auf Deutsch Die Autoren lassen den Blick schweifen über sämtliche Literaturen des Nordens darunter auch die Literaturen in finnisch, französisch, samisch und grönländischer Sprache Ausführlich und kenntnisreich werden dabei herausragende Autoren wie Holberg, Ibsen, Strindberg, Lagerlöf, Blixen, der isländische Nobelpreisträger Laxness, Lindgren und viele andere gewürdigt. Zugleich entsteht ein faszinierendes Panorama der skandinavischen Kulturgeschichte vom Mittelalter bis zur Gegenwart **Nordic War Stories** Marianne Stecher-Hansen, 2021-02-03 Situated on Europe's northern periphery, Denmark, Finland, Iceland, Norway, and Sweden found themselves caught between warring powers during World War II. Ultimately, these nations survived the conflict as sovereign states whose wartime experiences have profoundly shaped their historiography, literature, cinema, and memory cultures. *Nordic War Stories* explores the commonalities and divergences among the five Nordic countries, examining national historiographies alongside representations of the war years in canonical literary works, travel writing, and film media. Together, they comprise a valuable companion that challenges the myth of Scandinavian homogeneity while demonstrating the powerful influence that the war continues to exert on national identities *Light in the Dark* Björn Norðfjörð, 2025 *Light in the Dark* tells the dramatic history of Icelandic cinema from its modest origin in the early twentieth century to the heterogeneous and complex national cinema of today. In tracing this wide-ranging history, author Björn Norðfjörð describes the constant tug between local and national cultural forces and the transnational and global pull of world cinema. Norðfjörð starts by casting light on the earliest films made in the country, expanding outward to survey Scandinavians' adaptations of Icelandic literature, filmed during the late silent period, documentaries of the interwar period, and the first narrative features following the end of World War II and national independence. He traces the emergence of national cinema proper to the 1980s with the foundation of the Icelandic Film Fund, explores the subsequent impact of first European art cinema and then Hollywood genre cinema, and finally considers the remarkable international success of Icelandic cinema in the twentieth-first century. Along the way, Norðfjörð draws attention to many additional issues and topics regarding Icelandic cinema, including depictions of nature and animals, the aesthetics of fire and ice, the role of film adaptation, the impact of Nordic noir and crime fiction, Hollywood runaway productions, and the question of women's cinema in Icelandic filmmaking. Throughout the book, films from all periods of Icelandic filmmaking are analysed in detail, with equal emphasis on content and form, including both lesser-known titles and key films like *The Outlaw and His Wife* (1917), *Salka Valka* (1954), *Land and Sons* (1980), *When the Raven Flies* (1984), *Cold Fever* (1995), *101 Reykjavík* (2015), and *Godland* (2022) **Historical Dictionary of**

Scandinavian Cinema John Sundholm, Isak Thorsen, Lars Gustaf Andersson, Olof Hedling, Gunnar Iversen, Birgir Thor Møller, 2012-09-20 Although relatively small the northern countries of Scandinavia have made a disproportionately large contribution to world cinema. Indeed some of their films are among the best known of all times including *The Seventh Seal*, *Dancer in the Dark* and *The Girl with the Dragon Tattoo*. And Scandinavian directors are also among the best known, just to mention Ingmar Bergman and Lars von Trier. But there is much more to the cinema of Denmark, Norway, Sweden, Finland and Iceland than that, and this book shows us what they have been accomplishing over more than a century from the beginnings of cinema until the present. *The Historical Dictionary of Scandinavian Cinema* shows just how long and busy this history has been in the chronology starting in 1896. The introduction then describes the situation in each one of the component countries, all of which approached and developed the field in a similar but also slightly different manner. The dictionary section with over 400 substantial entries looks at the situation in greater detail with over 400 substantial entries on major actors, directors and others, significant films, various genres and themes, and subjects such as animation, ethnicity, migration and censorship. Given its contribution to world cinema, it is good to finally have an encyclopedia like this which can meet the interests of the scholar and researcher but also the movie fan.

Transnational Cinema in a Global North Andrew K. Nestingen, Trevor Glen Elkin, 2005 The first scholarly work to address the globalization of film in the Nordic region, covering major films, directors and trends in the region's five countries.

Fiction in French - Fiction in Soviet British Library, 2013-02-07 No detailed description available for Fiction in French, Fiction in Soviet.
