Pure Love Pure Life Exploring Gods Heart On Purity:

Pure Love, Pure Life Elsa Kok Colopy, 2014-12-23 Purity doesn't mean playing the game of How Far Is Too Far. A pure life is a full life, one that goes way beyond the ideas of dating, sex, and being a good girl, and focuses instead on what it means to be your true, powerful self. Purity can feel like a dirty word sometimes. After all, who wants to be told what not to do, how not to be, and who not to spend time with? Haven't we proven women are smart, strong, and able to make their own decisions? But the reality is what we've always been taught about Christian purity isn't 100 percent true. The idea has been twisted over the years into a list of don't rules that have obscured the facts that purity empowers you to become who you were made to be, and it's about a lot more than sex and dating. Here's the real truth: God designed purity as a whole life experience where you have the choice to follow your heart and be true to yourself as long as you're also following his Word. With honest advice, real life examples, and tools to navigate the temptations and frustrations you face every day, including dealing with those who don't respect your boundaries, Pure Love Pure Life meets you where you are, wherever you are, to illustrate why living the pure life isn't as constricting as it sounds and how it's worth the effort. This nonfiction book is real and honest and should be required reading for teenage girls and their parents. Christian Library Journal. Pure Love Pure Life looks at the idea of purity from a new angle, focusing on the do's instead of the don'ts, contains stories from real girls who talk about their own purity decisions, and what being pure means to them. It's for any girl looking to live a happy, healthy life, no matter what they have or haven't done in the past. It touches on issues relevant to a metoo world.

a metoo world *The Little Children: A Lesson in Humility* Ahmed Musa ,2024-12-14 In a world that values power status and accomplishments Jesus took a completely different approach to greatness The Little Children A Lesson in Humility takes you into one of the most profound moments in the Gospels where Jesus in the midst of His ministry calls a group of little children to Himself and teaches His disciples that greatness in the Kingdom of God is found not in power or position but in humility trust and a childlike heart In The Little Children A Lesson in Humility you will discover The scene where Jesus welcomed little children even when His disciples tried to keep them away showing that the kingdom of God is for those with a pure and simple faith Jesus shocking words to His disciples Truly I tell you unless you change and become like little children you will never enter the kingdom of heaven What did Jesus mean by this and why did He elevate children as a model for spiritual greatness The deep lessons embedded in Jesus words how childlike faith represents humility trust dependence and an openness to receive God s love and grace How Jesus turned the worldly view of greatness on its head teaching that to be great in God s eyes we must serve others become humble and approach God with the trust and awe of a child The profound implications for our own lives how embracing humility and childlike faith can lead us to deeper intimacy with God and a more powerful witness to the world around us In this tender moment Jesus pointed to the little children and said in effect This is what faith looks like This is what greatness in God s kingdom is all about The children s willingness to come to Jesus with no agenda no pride no self sufficiency reflects the kind of heart God longs for in each of us In a world that often measures success by accolades and accomplishments The Little Children reminds us that true greatness is measured by our ability to humble ourselves and trust completely in God s love and care What does it mean to become like little children in our approach to God How does humility open the door to true greatness in His kingdom The Little Children teaches us that greatness is not about what we accomplish but about who we become before God humble trusting and dependent on His love and grace Step into The Little Children A Lesson in Humility and learn how Jesus used the simplicity of childlike faith to show us the heart of the Kingdom of God True greatness begins when we lay down our pride and trust fully in the love and authority of the Father **Dare to Be True** Madison Prewett Troutt,2025-09-23 A call for truth and freedom in a culture

Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles Caroline Blyth, 2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women's godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader

LOVE, the ESSENCE, the TRUTH! Exploring the Future of Christian Monasticisms Greg Peters, 2020-01-15 The institution of monasticism in the Christian Church is in general decline at least in so called first world nations Though there are many reasons for this monastic leaders are confronted by the reality of fewer communities monks and nuns nonetheless At the same time many younger Christians are rediscovering the rich heritage of the monastic tradition Though they themselves might not be called to join a traditional monastery they are eager to appropriate monastic practices in their own lives This had led to a movement known as the new monasticism or secular monasticism Despite lacking a unified vision and any central organization these new secular monastics are attempting in their own ways to carry on the tradition and practices of Christian monasticism As well there is a movement within historical Christian monasteries to pour new wine into old wineskins Traditional forms of monasticism are also generally flourishing in developing nations breathing new life into monasticism This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future leading not only to a renewed Christian monasticism but to new monasticisms

Taught by God: Teaching And spiritual Formation, The

history of the Christian spiritual life suggests that those who truly teach the spiritual life have been themselves taught by God. The phrase taught by God occurs in Christian writings across several centuries. This book draws on the teachers and teaching models that animate Christian history bringing it into conversation with the issues and concerns of contemporary teachers and learners who seek to follow Christ. The authors contend that the various strands of the Christian spiritual and mystical tradition provide continuing guidance for Christian teachers in the cultivation of their own spiritual lives and the lives of their students. They order this book around four aspects of Christian educational ministries: the identity of the teacher, contexts in which we teach, models for teaching, and evaluation of teaching. Readers are invited to look at the world of teaching through multiple sides of a prism, refracting differently with each effort, drawing the eye toward a variety of subtle nuance and inviting varied interpretations of the subject we see. Each chapter focuses on particular spiritual teachers: Francis de Sales, Catherine of Siena, Søren Kierkegaard, practices, monastic rules, spiritual direction, examination of conscience, and images, pilgrimage, imitation, apprenticeship as exemplars of or frameworks for teaching and spiritual formation in the church today.

The Real God Chip Ingram, 2016-10-18. See God for Who He Is, Not What You Think He Ought To Be. Anyone who has tried to describe God to someone else, especially an unbeliever, knows that it is easy to find yourself at a loss for words. It seems that this part of our lives, which we claim is central, is often difficult to put into words. But if you know God, shouldn't you be able to describe him? What is he like? How can we put his eternal attributes into words? Join Chip Ingram in this fascinating study of seven attributes of God: his goodness, sovereignty, holiness, wisdom, justice, love, and faithfulness. Readers will see God in a whole new light and discover that our view of God impacts every decision in our lives. It will change the way we pray, the way we live, and the way we think about the world around us. God longs for us to know him as he really is. Get ready to meet God again for the first time.

The Essence of Eden: A Psychospiritual Exploration of Grace and Virtue Kim Harris, LPCC-S

LICDC-CS, 2025-07-29. In a world clouded by illusion and self-justification, *The Essence of Eden* invites readers on a profound journey through the sacred interplay of grace and virtue. With theological depth and psychological insight, this series examines the forces that shape human character, calling the soul toward truth, transformation, and spiritual renewal. Volume I, *Pride and Humility*, unveils the delicate balance between self-worth and surrender, exploring how pride distorts our vision and humility restores it. Through scriptural reflections, historical wisdom, and practical application, this volume charts a path toward authentic humility, the virtue that opens the heart to divine grace. Volume II, *Honesty and Deception*, coming soon, delves into the hidden corners of self-deception, confronting the rationalizations and falsehoods that obscure our souls. With piercing clarity, it illuminates the power of honesty and reconciliation, offering guidance to those who seek to live in integrity before God and others. Thought-provoking and deeply spiritual, *The Essence of Eden* is more than a book series; it is an invitation to examine the soul, embrace virtue, and walk in the light of truth.
