Purpose Awakening Touré Roberts, 2014-07-01 **PURPOSE AWAKENING** **A Dream Worth Pursuing** Omayra Font, 2021-08-24 God has placed within every woman a world of potential There are certain strengths and aptitudes found chiefly among females including nurture compassion and a bent toward self sacrifice for her spouse children family and community that have tremendous power to shape our society for the better Yet it is these very traits that often keep a woman's focus on others to the extent that she loses sight of the dreams God has planted in her heart Since when did it become wrong for women to dream Since when did female followers of Christ forget their divine call to create pioneer lead innovate and shatter glass ceilings When a woman fails to appreciate her identity as a daughter of the King she loses sight of her value and the invaluable worth of her God given dreams With the scriptural insights and godly wisdom of Pastor Omayra Font embark on the exciting pursuit of your heart's desires as you discover how to Rightly value yourself and your dreams Deal with disappointments in a productive manner View every obstacle as an opportunity for growth Practice discipline in a way that promotes success Project a sense of self respect Escape anxiety through prayer and planning Stop making excuses and start making strides toward the fulfillment of your dream Woman of God a new day is dawning for you and your dreams You are no longer a captive to fear a slave to tradition or someone who avoids risks at all costs Your future is a blank canvas just waiting to be made into a masterpiece It's time to understand your worth embrace your vision pick up a paintbrush and bring that vision to life

Athenaeum and Literary Chronicle ,1853 **The Athenæum** ,1853 **Suffrage** Susan L. Poulson,2019-09-03 Four generations of women fought for the right to vote This book shows how their grand reform effort overcame resistance from traditionalists fearing social decay religious leaders citing scriptural prohibitions and a stodgy political establishment reluctant to share power What was it like to be among the founders of the women s movement in the middle of the nineteenth century with no script to follow and self doubt dogging their every move This book not only reminds us of the laws that conspired against women s equality in the post Civil War United States but it also illustrates through the eyes of the suffragists themselves the cultural and religious norms that had held women in second class status for centuries Early suffragists grappled with isolation and outright hostility as they lectured around the nation even as they tried to reassure the public that politicized women would still serve the family Others espoused outrage by organizing public protests This book shows how lasting political change comes about through a combination of working from within the system and outside of it and deftly illustrates the tensions within the movement Although the vote was finally won in 1920 it was not without

tremendous sacrifice The book lays bare the strategies that led to the single minded focus on the vote and the consequences of postponing action on so many other issues that remained for later generations to address including reproductive freedom labor rights and equal pay The Speaker ,1899
