Henriette Anne Klauser, 2009-08-05 In moments of grief or loss we often turn to the written word to say what cannot be said aloud Indeed directing sadness rage or confusion at the page can be tremendously cathartic and liberating As we express our deepest feelings without reserve in poetry or prose we feel the power of our words begin to draw out some of the pain in our hearts and replace it with hope But fears about writing honestly and self criticism can stand in the way of making use of this powerful therapeutic tool With Pen in Hand is an inspirational and practical guide to breaking through these roadblocks and to helping one write to heal Outlining writing techniques that are best for working through pain and for privately collecting raw emotions Writing a Letter of Goodbye Interviewing Your Body Rapid Writing and more Henriette Klauser shares stories and tips that will help readers gain comfort from what they commit to paper For the accomplished writer and non writer alike With Pen in Hand will help one make use of the kind of expression that in the aftermath of a crisis or loss can make one whole again **Yoga Journal** , 1995-10 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **Language of the Heart** Carolyn Pogue, 1998
