Retreat Hell Corps No 1:

Kentucky Marine David J. Bettez, 2014-03-18 Follows the changes in the Marine Corps from its role as colonial infantry to amphibious assault force using the career of Maj Gen Logan Feland Allan R Millett author of *Semper Fidelis* Winner of the Marine Corps Heritage Foundation's Colonel Joseph Alexander Award A native of Hopkinsville Kentucky Major General Logan Feland 1869-1936 played a major role in the development of the modern Marine Corps Highly decorated for his heroic actions during the battle of Belleau Wood in World War I Feland led the hunt for rebel leader Augusto C. Sandino during the Nicaraguan revolution from 1927 to 1929 an operation that helped to establish the Marines reputation in guerrilla warfare and search and capture missions Yet despite rising to become one of the USMC's most highly ranked and regarded officers Feland has been largely ignored in the historical record In *Kentucky Marine* David J Bettez uncovers the forgotten story of this influential soldier of the sea During Feland's tenure as an officer the Corps expanded exponentially in power and prestige Not only did his command in Nicaragua set the stage for similar twenty-first century operations in Iraq and Afghanistan but Feland was one of the first instructors in the USMC's Advanced Base Force which served as the forerunner of the amphibious assault force mission the Marines adopted in World War II *Kentucky Marine* also illuminates Feland's private life including his marriage to successful soprano singer and socialite Katherine Cordner Feland and details his disappointment at being twice passed over for the position of commandant Drawing from personal letters contemporary news articles official communications and confidential correspondence this long overdue biography fills a significant gap in twentieth-century American military history **Fortitudine**, 2005 Inchon S. P. MacKenzie, 2025-09-12 Inchon the battle that saved South Korea Operation Chromite the American-led amphibious landing at the port of Inchon Incheon in September 1950 is arguably the most famous battle of the Korean War Often hailed as a masterstroke on the part of its creator General Douglas MacArthur its consequences were vast Seoul was liberated by the end of the month the invasion of South Korea by North Korea rapidly reversed and the stage set for an advance toward the Yalu River by United Nations and South Korean forces that would lead to Chinese intervention and a whole new war The Inchon-Seoul campaign is also noteworthy for the way in which participating states and commanders developed different and sometimes irreconcilable accounts of what had transpired and conclusions as to its ultimate meaning This volume chronicles the origins and course of the battle itself and then examines its cultural afterlife first through press coverage then through published memoirs in official histories on the big screen and finally via sites of commemoration down to the present in the United States and the two Koreas The overarching aim of *Inchon* is to explore how complimentary or competing narratives at both the national and individual level developed over a timespan of more than seven decades **All American, All the Way** Phil Nordyke, 2010-11-10 The 82nd Airborne Division parachuted into history on 9 July 1943 when they led Operation Husky the invasion of Sicily Less than a year from their formation in August 1942 the All Americans the name of the division in World War I when Sgt Alvin York was one its

soldiers found themselves in the thick of the action something that would become familiar to them for the rest of the war Heavy combat followed on the Italian mainland Then came the main event of the war D Day **The Farthest Valley** Joseph Wheelan, 2024-10-10 A history of the legendary extraction of the Fifth and Seventh Marines from a Chinese trap told for the first time using Chinese sources Knee deep in snow and under a leaden sky American Marines thousands of miles from home watched more snow settle onto the frozen ground glittering in the fading light Suddenly the still Korean night roared to life with the sound of Chinese mortar fire The Fifth and Seventh Marine Regiments were besieged and surrounded by the Chinese 9th Army Group in a surprise attack at Chosin Reservoir in what is now North Korea Vastly outnumbered and outgunned defeat and death seemed guaranteed Their improbable escape after a week of brutal combat required all the Marines fighting skills and supreme combat leadership It has become the stuff of legend and is brilliantly brought to life in this book through first hand accounts by Joseph Wheelan himself the son of a Chosin veteran However *The Farthest Valley* also uses Chinese military documents to give a unique perspective on Chinese strategic and tactical failings which allowed the Marines to escape Without the Marines the entire United Nations core strength was at risk of collapse which would have changed the outcome of the Korean War This is a compelling history of the Marines incredible tenacity and of woeful combat leadership as the Chinese gambled away their men's lives and ultimately victory *The Yanks Are Coming!* H. W. Crocker, 2014-09-23 Bestselling military historian H W Crocker III *The Politically Incorrect Guide to the Civil War* Robert E Lee on Leadership etc now turns his guns on the epic story of America's involvement in the First World War with his new book *The Yanks Are Coming A Military History of the United States in World War I* 2014 marks the centenary of the beginning of that war and in Crocker's sweeping American focused account readers will learn How George S Patton Douglas MacArthur George C Marshall of the Marshall Plan Wild Bill Donovan future founder of the OSS the World War II precursor to the CIA Harry S Truman and many other American heroes earned their military spurs in The Great War Why despite the efforts of the almost absurdly pacifistic administration of Woodrow Wilson American involvement in the war was inevitable How the First World War was the War that Made the Modern World sweeping away most of the crowned heads of Europe redrawing the map of the Middle East setting the stage for the rise of communism and fascism Why the First World War marked America's transition from a frontier power some of our World War I generals had actually fought Indians to a global superpower with World War I generals like Douglas MacArthur living to see and help shape the nuclear age The Young Lions of the War heroes who should not be forgotten like air ace Eddie Rickenbacker Sergeant Alvin York memorably portrayed by Gary Cooper in the Academy Award winning movie *Sergeant York* and all four of Theodore Roosevelt's sons one of whom was killed Stirring and full of brilliantly told stories of men at war *The Yanks Are Coming* will be the essential book for readers interested in rediscovering America's role in the First World War on its hundredth anniversary **Marine Corps Historical Bibliographies** ,1962 The Marine Corps Gazette ,1962 *Air University Library Index to Military Periodicals* ,1995
