Retrieving Experience Subjectivity And Recognition In Feminist Politics

Sonia Kruks

Retrieving Experience Subjectivity And Recognition In Feminist Politics:

Retrieving Experience Sonia Kruks, 2018-09-05 In *Retrieving Experience* Sonia Kruks engages critically with the postmodern turn in feminist and social theory. She contends that although postmodern analyses yield important insights about the place of discourse in constituting subjectivity, they lack the ability to examine how experience often exceeds the limits of discourse. To address this lack and explain why it matters for feminist politics, Kruks retrieves and employs aspects of postwar French existential theory, a tradition that she argues postmodernism has obscured by militantly rejecting its own genealogy. Kruks seeks to refocus our attention on the importance for feminism of embodied and lived experiences. Through her original readings of Simone de Beauvoir and other existential thinkers including Sartre, Fanon, and Merleau-Ponty, and her own analyses inspired by their work, Kruks sheds new light on central problems in feminist theory and politics. These include debates about subjectivity and individual agency, questions about recognition and identity politics, and discussion of whether embodied experiences may sometimes facilitate solidarity among groups of different women.

Gender History in Practice Kathleen Canning, 2006 The eight essays collected in this volume examine the practice of gender history and its impact on our understanding of European history. Each essay takes up a major methodological or theoretical issue in feminist history and illustrates the necessity of critiquing and redefining the concepts of body, citizenship, class, and experience through historical case studies. Kathleen Canning opens the book with a new overview of the state of the art in European gender history. She considers how gender history has revised the master narratives in some fields within modern European history, such as the French Revolution, but has had a lesser impact in others, Weimar and Nazi Germany. *Gender History in Practice* includes two essays now regarded as classics: *Feminist History after the Linguistic Turn* and *The Body as Method*, as well as new chapters on experience, citizenship, and subjectivity. Other essays in the book draw on Canning's work at the intersection of labor history, the history of the welfare state, and the history of the body, showing how the gendered social body was shaped in Imperial Germany. The book concludes with a pair of essays on the concepts of class and citizenship in German history, offering critical perspectives on feminist understandings of citizenship. Featuring an extensive thematic bibliography of influential works in gender history and theory that will prove invaluable to students and scholars, *Gender History in Practice* offers new insights into the history of Germany and Central Europe, as well as a timely assessment of gender history's accomplishments and challenges.

On Female Body Experience Iris Marion Young, 2005-01-27 Written over a span of more than two decades, the essays by Iris Marion Young collected in this volume describe diverse aspects of women's lived body experience in modern Western societies. Drawing on the ideas of several twentieth-century continental philosophers, including Simone de Beauvoir, Martin Heidegger, Luce Irigaray, Julia Kristeva, and Maurice Merleau-Ponty, Young constructs rigorous analytic categories for interpreting embodied subjectivity. The essays combine theoretical description of experience with normative evaluation of the unjust constraints on their freedom and opportunity that continue to burden many women. The

lead essay rethinks the purpose of the category of gender for feminist theory after important debates have questioned its usefulness Other essays include reflection on the meaning of being at home and the need for privacy in old age residences as well as essays that analyze aspects of the experience of women and girls that have received little attention even in feminist theory such as the sexuality of breasts or menstruation as punctuation in a woman's life story Young describes the phenomenology of moving in a pregnant body and the tactile pleasures of clothing While academically rigorous the essays are also written with engaging style incorporating vivid imagery and autobiographical narrative On Female Body Experience raises issues and takes positions that speak to scholars and students in philosophy sociology geography medicine nursing and education

Empowerment and Social Justice in the Wake of Disasters Sara Bondesson, 2022-08-09 This book taps into discussions about social vulnerability empowerment and resistance in relation to disaster relief and recovery It disentangles tensions and dilemmas within post disaster empowerment through a rich ethnographic narrative of the work of Occupy Sandy in Rockaway New York City after Hurricane Sandy in 2012 It details both a remarkable collaborative relief phase in which marginalized communities were empowered to take active part as well as a phase of conflict and resistance that came about as relief turned to long term recovery This volume particularly aims to understand how community empowerment processes can breach pre disaster marginalization in the aftermath of disasters It connects with broader emancipatory literature on dilemmas involved in empowerment from the outside In a future of potentially harsher climate related disasters and increased social vulnerability for certain communities this book contributes to a full and nuanced understanding of community empowerment and vulnerability reduction This book will be of interest to sociologists anthropologists geographers political scientists and urban studies researchers as well as undergraduate and postgraduate students interested in disaster management disaster risk reduction social vulnerability community empowerment development studies local studies social work community based work and emancipatory theory

Beauvoir and Sartre Christine Daigle, Jacob Golomb, 2009-01-19 Christine Daigle Jacob Golomb and an international group of scholars explore the philosophical and literary relationship between Beauvoir and Sartre in this penetrating volume

Political Phenomenology Hwa Yol Jung, Lester Embree, 2016-06-13 This volume presents political phenomenology as a new specialty in western philosophical and political thought that is post classical post Machiavellian and post behavioral It draws on history and sets the agenda for future explorations of political issues It discloses crossroads between ethics and politics and explores border crossing issues All the essays in this volume challenge existing ideas of politics significantly As such they open new ways for further explorations BY future generations of phenomenologists and non phenomenologists alike Moreover the comprehensive chronological bibliography is unprecedented and provides not only an excellent picture of what phenomenologists have already done but also a guide for the future

Max Stirner and the Political Theology of Fanaticism Jorn Janssen, 2024-08-07 This book provides a rigorous and insightful exploration of political fanaticism guided by a nuanced

interpretation of the works of Max Stirner a philosopher often overlooked in contemporary discourse Based on a comprehensive analysis of Stirner s perspectives the book sheds light on the phenomenon of political fanaticism and its implications for modern society Defined as an intense and irrational emotional investment in political convictions political fanaticism permeates both North American and European contexts presenting a significant area of study within political theory The aim of this work is not to advocate for any particular ideological position but rather to critically examine the phenomenon itself Central to the investigation is Stirner s distinctive idea that political fanaticism mirrors the fervor of religious zealotry transposed onto the political stage By delving into Stirner s philosophical insights the book aims to elucidate the underlying mechanisms driving political fanaticism and its relationship to broader societal shifts Contributing to the field of political theology by exploring the intersections between politics and religious belief systems the aim is to achieve a deeper understanding of the complex dynamics at play in contemporary political discourse Ultimately the goal is to provide scholars and researchers with a comprehensive framework for analyzing and contextualizing political fanaticism within the broader landscape of modern politics By engaging with Stirner s works and interrogating their relevance to contemporary challenges the book seeks to enrich scholarly discourse and foster critical reflection on this pressing issue

Turning Operations Mary Dietz, 2015-01-28 Through the re interpretation of influential thinkers such as Arendt Weil Beauvoir and Habermas Mary G Dietz weaves the concerns of democratic thought with that of feminist political theory demonstrating how important feminist theory has become to democratic thinking more generally Bringing together fifteen years of commentary on critical debates *Turning Operations* begins with problems central to feminism and ends with a series of reflections on the the politics of politics inviting the reader to think more expansively about the expressly public nature of political life

The Feminine Subject Susan J. Hekman, 2014-11-11 In 1949 Simone de Beauvoir asked What does it mean to be a woman Her answer to that question inaugurated a radical transformation of the meaning of woman that defined the direction of subsequent feminist theory What Beauvoir discovered is that it is impossible to define woman as an equal human being in our philosophical and political tradition Her effort to redefine woman outside these parameters set feminist theory on a path of radical transformation The feminist theorists who wrote in the wake of Beauvoir s work followed that path Susan Hekman s original and highly engaging new book traces the evolution of woman from Beauvoir to the present In a comprehensive synthesis of a number of feminist theorists she covers French feminist thinkers Luce Irigaray and Helene Cixous as well as theorists such as Carol Gilligan Carole Pateman and Judith Butler The book examines the relational self feminist liberalism and Marxism as well as feminist theories of race and ethnicity radical feminism postmodern feminism and material feminism Hekman argues that the effort to redefine woman in the course of feminist theory is a cumulative process in which each approach builds on that which has gone before Although they have approached woman from different perspectives feminist theorists has moved beyond the negative definition of our tradition to a new concept that continues to

evolve The Feminine Subject is a remarkably succinct yet wide ranging analysis which will appeal to all feminist scholars and students as well as anyone interested in the changing nature of feminism since the 1950s The Oxford Handbook of Feminist Theory Lisa Disch, Mary Hawkesworth, 2018-02-01 The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to analyze the known world Featuring leading feminist theorists from diverse regions of the globe this collection delves into forty nine subject areas demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory Demonstrating the interdisciplinary nature of feminist theory the chapters offer innovative analyses of topics central to social and political science cultural studies and humanities discourses associated with medicine and science and issues in contemporary critical theory that have been transformed through feminist theorization The handbook identifies limitations of key epistemic assumptions that inform traditional scholarship and shows how theorizing from women s and men s lives has profound effects on the conceptualization of central categories whether the field of analysis is aesthetics biology cultural studies development economics film studies health history literature politics religion science studies sexualities violence or war

Retrieving Experience Subjectivity And Recognition In Feminist Politics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Retrieving Experience Subjectivity And Recognition In Feminist Politics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Retrieving Experience Subjectivity And Recognition In Feminist Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Retrieving Experience Subjectivity And Recognition In Feminist Politics free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Retrieving Experience Subjectivity And Recognition In Feminist Politics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Retrieving Experience Subjectivity And Recognition In Feminist Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Retrieving Experience Subjectivity And Recognition In Feminist Politics Books

1. Where can I buy Retrieving Experience Subjectivity And Recognition In Feminist Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
