DEENA MANDELL

Revisiting The Use Of Self Questioning Professional Identities

Merlinda Weinberg

Revisiting The Use Of Self Questioning Professional Identities:

Revisiting the Use of Self Deena Mandell, 2007 In recent years several developments have stimulated new ways of thinking about the social worker's self or selves in all aspects of practice. The focus on practice with diverse populations and the emphasis on anti-oppressive practice have highlighted elements of the relationship between social worker and client. The objective of this book is threefold: 1. Offer the reader a historical developmental overview of the concept of use of self and critically explore its adequacy for contemporary ethical practice. 2. Provide the reader with first person practitioners' accounts of their own use of self in examples of reflective practice approaches. 3. Broaden the scope of the concept of critical use of self to fields of service where it is under-theorized, for example community work and corrections.

Feminisms in Social Work Research Stéphanie Wahab, Ben Anderson-Nathe, Christina Gringeri, 2014-07-25 Social work as a profession and academic discipline has long centered women and issues of concern to women such as reproductive rights, labor rights, equal rights, violence, and poverty. In fact, the social work profession was started by and maintained in large part by women and has been home to several generations of feminists, starting with recognized first-wave feminists. This wide-ranging volume both maps the contemporary landscape of feminist social work research and offers a deep engagement with critical and third-wave feminisms in social work research. Showcasing the breadth and depth of exemplary social work feminist research, the editors argue that social work's unique focus on praxis, daily proximities to privilege and oppression, concern with social change, and engagement with participatory forms of inquiry place social workers in a unique position to both learn from and contribute to broader social science and humanities discourse associated with feminist research. The authors attend here to their specific claims of feminisms, articulate deep engagement with theory, address the problematic use of binaries, and engage with issues associated with methods that are consistently of interest to feminist researchers such as power and authority, ethics, reflexivity, praxis, and difference. Comprehensive and containing an international selection of contributions, *Feminisms in Social Work Research* is an important reference for all social work researchers with an interest in critical perspectives.

Paradoxes in Social Work Practice Merlinda Weinberg, 2016-03-17 In the helping professions, codes of ethics and decision-making models have been the primary vehicles for determining what constitutes ethical practice. These strategies are insufficient since they assume that shared meanings exist and that the contradictory universal principles of codes can be reconciled. Also, these tools do not emphasize the significance of context for ethical practice. This book takes a new critical theoretical approach which involves exploring how social workers construct what is ethical in their work, especially when they are positioned at the intersection of multiple paradoxes, including that of two opposing responsibilities in society: namely, to care for others but also to prevent others from harm. The book is built on narratives from actual front-line workers and therefore is more applicable and grounded for practitioners and students, offering many suggestions for sound practice. It illustrates that an understanding of ethics differs from worker to worker and is heavily influenced by context, workers' values,

and what they take up as the primary discourses that frame their perceptions of the profession While recognizing the oppressive potential of social work the book is rooted in a perspective that ethical practice can contribute to a more socially just society

Narrative social work Clive Baldwin, 2013-03-27 This is the first book to extend the narrative lens to explore the contribution of narrative to social work values and ethics social policy and our understanding of the self in social cultural and political context

Theoretical Perspectives for Direct Social Work Practice Nick Coady, Peter Lehmann, 2016-05-15 This expanded third edition of a popular textbook provides a completely revised and updated overview of the theories models and therapies that inform direct social work practice The text is grounded in generalist social work principles and values and promotes a problem solving model of social work practice as a framework for the eclectic use of theory as well as for integrating the artistic reflective elements of practice It provides in depth coverage of select psychodynamic cognitive behavioral humanistic critical and postmodern theories The third edition features a new section on Critical Theories where a new chapter on Empowerment Theory is included with a completely revised chapter on Feminist Theory A new chapter on Strengths based Social Work has been added to the section on meta theories for social work practice Other new chapters include Emotion focused Therapy and Collaborative Therapy These revisions are based on suggestions from an extensive survey of professors New to the Third Edition A new section on Critical Theories New chapters on Strengths based Social Work Emotion focused Therapy Empowerment Theory and Collaborative Therapy Updated research on the debate about the importance of theory technique versus common e g relationship factors and on the critique of the empirically supported treatment movement Key Features Grounds direct practice firmly in the principles and values of generalist social work Promotes a problem solving model of social work as a flexible structure for integrating the eclectic use of theory with the artistic reflective elements of practice Organizes direct practice theories into like groupings and provides an overview of the main characteristics of each grouping Provides in depth coverage of topics in a clear logical and consistent format Includes editors and contributors from the U S and Canada

Social Work Marie Connolly, Louise Harms, 2015-08-25 Social Work From Theory to Practice uses an integrated approach to explore a variety of social theories through social work s unique interpretative lens Systems psychodynamic and person centred theories and cognitive behavioural narrative and strengths based practices are specifically addressed and students are shown how to apply these in human service settings These theories are supported by case studies written by experienced practitioners providing an in depth exploration of the use of theory in practice This second edition includes new material on mindfulness and mind body and spirit social work as well as enhanced content relating to Indigenous social work Social Work From Theory to Practice is an accessible and engaging text that clearly explains the theories that underpin social work in practice

Psychodynamic and Cognitive Behavioral Theory and Practice Professor Director of the Doctoral Program School of Social Work Terry B Northcut, Terry B. Northcut, Assistant Professor School for Social Work Shveta Kumaria, Shveta Kumaria, 2025-12-09 In this

detailed and comprehensive book both psychodynamic theory and cognitive behavioral therapy are examined within a historical and contextual lens combined with contributions from interpersonal neurobiology and psychotherapy research

The Complete Systemic Supervisor Thomas C. Todd, Cheryl L. Revisiting The Use Of Self Questioning Professional Identities Introduction

In today's digital age, the availability of Revisiting The Use Of Self Questioning Professional Identities books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Revisiting The Use Of Self Questioning Professional Identities books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Revisiting The Use Of Self Questioning Professional Identities books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Revisiting The Use Of Self Questioning Professional Identities versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Revisiting The Use Of Self Questioning Professional Identities books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Revisiting The Use Of Self Questioning Professional Identities books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Revisiting The Use Of Self Questioning Professional Identities books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a

non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Revisiting The Use Of Self Questioning Professional Identities books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Revisiting The Use Of Self Questioning Professional Identities books and manuals for download and embark on your journey of knowledge?

FAQs About Revisiting The Use Of Self Questioning Professional Identities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revisiting The Use Of Self Questioning Professional Identities is one of the best book in our library for free trial. We provide copy of Revisiting The Use Of Self Questioning Professional Identities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revisiting The Use Of Self Questioning Professional Identities. Where to download Revisiting The Use Of Self Questioning Professional Identities online for free? Are you looking for Revisiting The Use Of Self Questioning

Professional Identities PDF? This is definitely going to save you time and cash in something you should think about.
