Richard Sibbes Gods Spreading Goodness:

Richard Sibbes God's Spreading Goodness R N Frost, 2012-02-01 English Puritans of the Stuart era were divided by a number of questions The greatest of these asked what constitutes salvation and restoration from sin All agreed that it was by grace through faith But few could agree on how to define sin grace and faith Richard Sibbes consciously followed Augustine Martin Luther and John Calvin in defining sin as self love and grace as God's redemptive love in Christ His theology centered on the love of God expressed through Christ and offered by the Spirit and faith as a response to that love This produced a winsome and transforming theology of union with Christ and communion with God In this he was a counterweight to the spread of moralistic Puritan theologies in his day **The Complete Works of Richard Sibbes, D.D.** Richard Sibbes, 1863

 The Church's Echo The Knowledge of God Michael Allen, 2022-01-13 The Knowledge of God turns to consider the
 knowledge of God revealed in the Word of God with several essays addressing the doctrine of God then the person of Christ
 and finally the miracle of the church Michael Allen shows the exegetical shape of historical and dogmatic reasoning as well
 as the significance of thinking about these topics in their interrelationships with a range of other Christian themes not least
 the doctrine of the living and true God In each of these topics the theme of the promise and nature of God's presence
 whether in his own life or then in the economy of the incarnation and of the church proves to be a unifying thread The gospel
 is shown to be rooted backward in God's own life and to have consequence forward for the ongoing life of Christ displayed in
 his church This volume explores what it means to learn of and come to know God who has life in himself and then shares his
 life with us in the coming of his Son and the ongoing presence amidst his body the church of Christ **Enamoured With
 Piety** Yarran Johnston, 2020-10-26 Being released in the 400th anniversary of his birth Enamoured with Piety by Dr Yarran
 Johnston offers an insight into the life and ministry of the Puritan Thomas Watson Johnston traces the pervading theme of
 godliness in Watson's thoughts and writings making the case that Watson represents English Puritanism in its mature phase
 specifically in its understanding of godliness as a proper regard for God **The Deep Things of God** Fred R. Sanders, 2010
 A specialist on the doctrine of the Trinity explains how the gospel is inherently Trinitarian Readers will see that recognizing
 the work of the Trinity in the gospel adds depth to faith and the Christian life *Overflow* Michael Reeves, 2021-07-06 What
 does the Trinity have to do with missions As it turns out everything Too often we put theology in one part of the Christian life
 and missions in another and they never meet A doctrine like the Trinity belongs in the intellectual realm while missions
 belongs with the practical parts of life Or so we think But is that really the way it should be Michael Reeves wants you to
 understand that the doctrine of the Trinity has everything to do with the practice of missions When a Christian sees the
 Father Son and Holy Spirit as divine persons who are so full of love that it radiates and overflows into creation and into the
 lives of human beings our perspective on missions is radically changed No longer is missions an obligation or a drudgery
 Instead realizing the abundance of love that goes forth from God we who have received and delighted in such love are
 motivated to go forth as well Let the radiance of God's triune beauty capture your heart Then God's great mission won't be a

chore but will naturally overflow from your joyous delight in Him **Complete Works ...** Richard Sibbes,1863

Justification and the Gospel R. Michael Allen,2013-11-19 Seeking to move beyond current heated debates on justification this accessible introduction offers a fresh alternative approach to a central theological topic Michael Allen locates justification within the wider context of the gospel allowing for more thoughtful engagement with the Bible historical theology and the life of the church Allen considers some of the liveliest recent debates as well as some overlooked connections within the wider orbit of Christian theology He provides a historically informed ecumenically minded defense of orthodox theology analyzing what must be maintained and what should be reconfigured from the vantage point of systematic theology The book exemplifies the practice of theological interpretation of Scripture and demonstrates justification s relevance for ongoing issues of faith and practice **Evangelical Calvinism** Myk Habets,Bobby Grow,2017-05-04

Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike
