Retire The Right Way With The Dynamic Duo:

Retire the Right Way with the Dynamic Duo Jamie Blumenthal, Nancy Blumenthal, 2014-09-15 Retirement today is a self directed and self implemented enterprise If you are wondering how you got here and worried about how to make ends meet during the next 20 or 30 years you are going to need some guidance Give yourself the peace of mind that comes from using the right tools and strategies to help you retire the right way **Work, Retire, Repeat** Teresa

Ghilarducci, 2024-03-06 A damning portrait of the dire realities of retirement in the United States and how we can fix it While the French went on strike in 2023 to protest the increase in the national retirement age workers in the United States have all but given up on the notion of dignified retirement for all Instead Americans whose elders face the highest risk of poverty compared to workers in peer nations are fed feel good stories about Walmart clerks who can finally retire because a customer raised the necessary funds through a GoFundMe campaign Many argue that the solution to the financial straits of American retirement is simple people need to just work longer Yet this call to work longer is misleading in a multitude of ways including its endangering of the health of workers and its discrimination against people who work in lower wage occupations In **Work Retire Repeat** Teresa Ghilarducci tells the stories of elders locked into jobs not because they love to work but because they must But this doesn't need to be the reality **Work Retire Repeat** shows how relatively low cost changes to how we finance and manage retirement will allow people to truly choose how they spend their golden years

The Idlers of March Christopher Forrest, 2011-09-30 During the National Hockey League lockout in early 2005 Toronto based sports journalist David Timmins has little to write about until baseball player Jose Canseco releases his book on steroid abuse and Timmins boss sends him on a steroid scandal of his own to spring training in Florida He receives a romantic surprise on the plane ride absorbs a career shock on the Ides of March requires his sisters New York condo couch for a night spends Easter in a rural Ontario town he has never been in before and yes he solves the NHL lockout problem with the aid of an inspired cheese maker of course **Life at DrTom's: Mostly Humorous Anecdotes by a Mostly Retired Cornell**

Professor Thomas A. Gavin, 2013-02 **Life at DrTom's** is a diverse collection of easy to digest anecdotes about human behavior wildlife children wives and more from the perspective of a retired Ivy League professor DrTom taught classes in biology and conservation at Cornell University for almost 30 years and he conducted research on birds and mammals in the U S and abroad But he has found that observing humans and describing the human condition are as interesting as the study of wild animals DrTom writes with a somewhat cynical view about his own species in a way that will make you say hey I never thought of that Spanning six decades DrTom describes the colorful experiences that vary from studying squirrels on a cattle ranch in Idaho living in the rainforest of Costa Rica attending a geisha like party in Korea playing tennis for Ohio State to smoking a cigar while sipping a scotch in the forest surrounding his New York home These moments have sharpened his power of observation and informed his impression of what makes human behavior so curious But this life long exploration of

what makes life interesting has generated the tangible he celebrates the most the memory of these rich encounters Readers will have no difficulty relating to DrTom s observations and conclusions about the experiences he shares You will see yourself in many of the uncanny situations in which he has found himself as a father grandfather husband teacher and retired baby boomer Regardless of your age gender or educational background the prose will make you laugh or pause or think more deeply about what you see around you Maurice Rosenblatt and the Fall of Joseph McCarthy Shelby Scates,2006 Veteran journalist Shelby Scates tells the story of the rise of McCarthy s power to destroy careers and livelihoods with his allegations of subversion together with the story of Rosenblatt s role in effecting his eventual censure by the Senate Lobbyist Maurice Rosenblatt joined with colleagues to form first the National Committee for an Effective Congress and then increasingly alarmed the McCarthy Clearinghouse dedicated to stopping the demagogue s assault on civil liberties Operating out of Rosenblatt s suite in the Carroll Arms Hotel near Capitol Hill Clearinghouse staff lent their support to the Republican senator from Vermont Ralph Flanders who introduced the successful resolution to censure McCarthy and remove him from his committee chairmanship Drawing on interviews with Rosenblatt and other actors in the drama and on previously unresearched collections and papers Scates tells a tale of excess and intrigue **BOOK JACKET** **Journal of the American Society of CLU & ChFC.** ,1997 **Help!
