Mark Twain's Letters, Volume 4 Mark Twain, 1988 You ought to see Livy me now a days you never saw such a serenely satisfied couple of doves in all your life I spent Jan 1 2 3 5 there left at 8 last night With my vile temper variable moods it seems an incomprehensible miracle that we two have been right together in the same house half the time for a year a half yet have never had a cross word or a lover s tiff or a pouting spell or a misunderstanding or the faintest shadow of a jealous suspicion Now isn t that absolutely wonderful Could I have had such an experience with any other girl on earth I am perfectly certain I could not We are to be married on Feb 2d So begins Volume 4 of the letters with Samuel Clemens anticipating his wedding to Olivia L Langdon The 338 letters in this volume document the first two years of a loving marriage that would last more than thirty years They recount in Clemens s own inimitable voice a tumultuous time a growing international fame the birth of a sickly first child and the near fatal illness of his wife At the beginning of 1870 fresh from the success of The Innocents Abroad Clemens is on the long agony of a lecture tour and planning to settle in Buffalo as editor of the Express By the end of 1871 he has moved to Hartford and is again on tour anticipating the publication of Roughing It and the birth of his second child The intervening letters show Clemens bursting with literary ideas business schemes and inventions and they show him erupting with frustration anger and grief but more often with dazzling humor and surprising self revelation In addition to Roughing It Clemens wrote some enduringly popular short pieces during this period but he saved some of his best writing for private letters many of which are published here for the first time
