Revealed Gods Will For Your Life:

The Meaning of life is revealed by God's Will Maria T Peleyeju,2021-08-20 In her book Maria Peleyeju draws attention to the experience of journeys in life Everyone has gone through journeys whether they are small ones large ones significant ones they are all journeys Life is a journey full of opportunities hardships and heartaches and it will test our courage How will you respond Often the thought of giving up crosses our minds as we wonder whether the end of the journey is worth the stress and the obstacles down the road Prayer is one of the pathways to HIS divine presence Prayer gives comfort in pain it gives reassurance and heals the broken spirit Walking with God is particularly important in our walking with God he reveals his secret for surviving warfare and overcoming life s challenges Lay your talents and gifts before him meditate in his word and know the love of Christ This book provides you with hope love faith comfort and the reassurance you need to walk through the journey called life The book is a good resource for all *Discerning & Understanding God's Will for Your Life* Osbourne Murray,2017-02-13 The book is about the importance of knowing God s will for one s life which is paramount in having a harmonious and fulfilling relationship with God When there s uncertainty concerning the will of God in any aspect of one s existence it results to confusion and anxiety Too many Christians go through life and never realize God s perfect will during their sojourn in time In doing so believers are robbed of the privilege of experiencing God s best for their lives It also deprives them of having an overcoming fruitful spirit filled joyful and peaceful life Not discerning God s perfect will for your life will cause you to live far below your rights and privileges in Christ The recognition of God s purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purpose the Kingdom of God The truth is that not much attention is paid to this very critical area of Christianity today However it is the very heart of efficient and authentic Christian living Without a clear understanding of God s will in one s life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of Christ *God's Will and Plan for Your Life* Stacy B. Shannon,2023-07-27 Will God use me for a purpose and a plan in my life If He will how can I know it When I hear these questions from people I always say Yes He will His personal promise is that He does have a plan and purpose for your life Just read Jeremiah 29 11 You re not going to understand everything that comes your way in life Trust one thing The same God who loved you enough to give you life loves you enough to plan for the future of the life that He has given you God promises that if you seek Him you will find Him and in doing so you will also discover His plan and purpose for your life God s will A lot of people spend a lot of time wondering about how God s will is an enigma that cannot be figured out This is a very common misconception We can figure out the plans He has for us All the details may not be crystal clear at first because God keeps some aspects of His will to Himself but with study and meditation of God s Word we can know the path to take in any given situation He will never leave you searching for answers You will have to spend time seeking Him for answers to your prayers but once you do He will never

disappoint you God is the only one who knows the plans He has for us and how they can be achieved They are plans that hold renewed joy and peace You must renew your mind with scripture from God It s my desire that whoever reads this book will let God show His everlasting love in a fresh new way No doubt once you come to Christ and accept Him as your Savior the most profound aspect of the Christian life is discovering that He has a will and purpose not only for your heavenly life but also for every situation you face each day
