Revelation Concordia Popular Commentary:

Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place, scholarship has overlooked the importance of his spatial transformation of that language. Tse thus uses theories relating to Relevance Resistance Theory, Critical Space Theory, and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to represent his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live. Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation. John's description of the visionary world creates the metaphors: the earth is a Sanctuary and the Saints are its priests. Tse argues that under this view, life on earth must be evaluated according to the concerns of the Sanctuary, which by definition requires the removal of everything impure, and the Saints, namely all Christians in both the historic and visionary worlds, must take priestly responsibility for the earth. John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan, Babylon, and all her impurities. Tse concludes that overall, John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality.

The Revelation Worldview Jon K. Newton, 2015-02-06 Does Christianity have anything useful or credible to say to the twenty-first century, or is it just a relic of a past era doomed eventually to die a long and painful death, perhaps to be replaced by the new atheism or another religion? In an original contribution to such debates, *The Revelation Worldview* is a bold attempt to construct a biblically based Christian worldview that makes sense to postmodern people. It also seeks to make the book of Revelation one of the most strange and difficult books in the Bible relevant to issues facing people in the twenty-first century. Jon K. Newton wrestles with the complex notion of worldview, tells the story of the changing Western worldview from its ancient and medieval beginnings through the modern era and into the unpredictable world of postmodernism, and compares the worldview found in Revelation with other worldviews of its day. He then uses Revelation as a source for identifying some basic Christian answers to questions such as: What is real? How do we know anything? How can religious knowledge claims be justified? How can we understand the concept of the human person? How can we make sense of history? And how should we respond to pluralism?

Thinking and Seeing with Women in Revelation Lynn R. Huber, 2013-09-12 Lynn R. Huber argues that the visionary aspect of Revelation, with its use of metaphorical thinking and language, is the crux of the text's persuasive power. Emerging from a context that employs imagery to promote imperial mythologies, Revelation draws upon a long tradition of using feminine imagery as a tool of persuasion. It does so even while shaping a community identity in contrast to the dominant culture and in exclusive relationship with the Lamb. By drawing upon the work of medieval and modern visionaries, Huber answers a call to examine the way real readers engage with biblical texts. Revealing how Revelation continues to persuade audiences through appeals to the visual and provocative imagery, she

offers a new sense of how the text metaphorical language simultaneously limits and invites new meaning unfurling a range of interpretations

Subversive Meals Streett R Alan, 2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely

Revelation-Reader's Edition Louis Brighton, 2009 Revelation can bring to mind terrible visions of war disaster persecution and global destruction It challenges the reader with symbols and hidden meanings Yet the golden thread that runs through Revelation is Christ the slain and arisen Lamb with His Church in worship on earth and in heaven This commentary explores and explains the final testimony of the ascended Lord before His return in Judgment Instead of being about just a great showdown Revelation stresses how Christ gives Christians power in weakness Christ reveals to His people glorious visions of the world to come amid the present suffering He promises the ultimate defeat of Satan and eternal life with God Book jacket

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal

destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever s eternal condemnation *The Common Corps of Christendom: Ecclesiological Themes in the Writings of Sir Thomas More* Brian Gogan,2022-08-22 *The Grace of Christ, Third Edition* Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him
