Revelation Four Views A Parallel Commentary:

Reading Revelation C. Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns **Revelation: Four**

Views Steve Gregg, Howard F. Vos, 1999-09-07 An even handed summary of the four traditional views of Revelation in parallel columns This convenient presentation not only gives you the information you need on these key views but also informs you about outstanding commentators on the book of Revelation throughout much of church history A wonderful addition to any Bible study resource library **Revelation, Four Views**, 1977 **Revelation, Four Views** Steve Gregg, 2013 Four Views of Revelation A Parallel Commentary covers the traditional views in an even handed fashion Four parallel columns present the information you need on these key views and inform you about outstanding commentators on the book of Revelation

Finding the End of the World Ron Braley, 2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley s book Finding the End of the World is a great resource for any serious student of God s Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almborg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown children and 2 grandchildren Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship Inc Please visit www.findingrevelation.com for free instructor materials discussion boards and opportunities to contribute to the discipleship cause

study the Second Coming of Jesus Christ Mysteries and Symbols of Revelations 7-7'S Revealed Agnes R. Moushon MA,2023-03-29 Are you wondering like many others how this world will end The mysteries in the Bible book of Revelation are God s way of revealing what will take place as our world waxes old like a garment and tears apart These mysteries are uncovered by God Himself He has painted a picture in symbols so we can understand and live through the end of time in faith and trust that God will take care of His people *To Aliens and Exiles* Tim MacBride,2020-05-05 Over the space of a generation Christianity in the Western world has gone from occupying a central place in the wider society to being eyed with increasing suspicion and in some places outright hostility Although the church has always been a minority group in the past decade or so it has become reawakened to that reality and to the similarities it shares with the first followers of Jesus for whom the New Testament was written In this book Tim MacBride shows how New Testament texts functioned as rhetoric for the marginalized minority groups they addressed encouraging hearers to resist the pressure to conform to the majority culture yet in a way that remained attractively different to outsiders He offers suggestions for how Christians today and preachers in particular can use and apply the New Testament s minority group rhetoric to speak into our own increasingly marginalized experience Such preaching needs to guard against either being shaped by culture or isolating preacher and hearers against culture It must instead champion the call of New Testament authors to a middle way a call for communities of aliens and exiles to engage with culture by living out an attractive difference End Times Fiction Gary DeMar,2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society

The Man of Sin Kim Riddlebarger,2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and
