Revival Novel:

Dreams and Suicides Suzanne Macalister, 2013-01-11 This study discusses the Greek novel through the ages from the genre's flowering in late Antiquity to its learned revival in twelfth century Byzantium. Its unique feature is its full coverage of the Byzantine novels demonstrating that they both depend upon and react against the ancient novel and can only be understood against the cultural backdrop of ancient Greek literature. *Dreams and Suicides* analyses the cultural symptoms and attitudes portrayed or implied in the novels thus rooting them in a social rather than merely a literary context. For all students of ancient culture this book provides important and original insights into the genre of ancient literature.

[Irish Novels 1890-1940](#) John Wilson Foster, 2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama. Attempting to fill a large critical vacancy, *Irish Novels 1890-1940* is a comprehensive survey of popular and minor fiction, mainly novels published between 1890 and 1922, a crucial period in Irish cultural and political history. Since the bulk of these sixty odd writers have never been written about, certainly beyond brief mentions, the book opens up for further exploration a literary landscape hitherto neglected, perhaps even unsuspected. This new landscape should alter the familiar perspectives on Irish literature of the period, first of all by adding genre fiction: science fiction, detective novels, ghost stories, New Woman fiction, and Great War novels to the Irish syllabus; secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction. Among the popular and prolific female writers discussed are Mrs J. H. Riddell, B. M. Croker, M. E.

Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland [The English Novel](#) Walter Raleigh, 1894 [The Complete Book of 1950s Broadway Musicals](#) Dan Dietz, 2014-07-02 The Broadway musical came of age in the 1950s a period in which some of the greatest productions made their debuts Shows produced on Broadway during this decade include such classics as Damn Yankees Fiorello Guys and Dolls The King and I Kismet The Most Happy Fella My Fair Lady The Pajama Game Peter Pan The Sound of Music and West Side Story Among the performers who made their marks were Julie Andrews Bob Fosse Carol Lawrence and Gwen Verdon while other talents who contributed to shows include Leonard Bernstein Oscar Hammerstein II Alan Jay Lerner Frederick Loewe Cole Porter Jerome Robbins Richard Rodgers and Stephen Sondheim In The Complete Book of 1950s Broadway Musicals Dan Dietz examines in detail every musical and revue which opened on Broadway during the 1950s In addition to providing details on every hit and flop that debuted during the decade this book includes revivals and one man and one woman shows Each entry contains the following information Opening and closing dates Plot summary Cast members Number of performances Names of all important personnel including writers composers directors choreographers producers and musical directors Musical numbers and the names of performers who introduced the songs Production data including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendices such as a discography film and television versions published scripts Gilbert and Sullivan operettas and lists of productions by the New York City Center Light Opera Company and the New York City Opera Company A treasure trove of information The Complete Book of 1950s Broadway Musicals provides readers with a complete view of each show This significant resource will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history [Secrets of Prague - Exploring the Novel's Locations](#) Lubor Matěj, 2025-09-29 Discover the places that inspired Dan Brown Prague is a city that never fails to enchant Its hidden corners and stories carved in stone even captivated a world famous author who chose to set the plot of his latest novel here After dozens of titles published in the Mateo Guides series known for original and engaging travel companions we decided to bring you closer to these remarkable locations along with others that complete their unique atmosphere Inside you ll find the stories of saints artists rulers and architects along with a curated TOP 10 of Charles Bridge s baroque statues and the most fascinating sites of Prague Castle We also share tips for alternatives to crowded attractions
