Rich Christians In An Age Of Hunger Moving From Affluence To Generosity:

Rich Christians in an Age of Hunger Ronald J. Sider, 1997 This thoroughly revised 20th anniversary edition of *Rich Christians in an Age of Hunger* outlines the progress that has been made in recent years in dealing with issues of poverty but also points out how much the church still has left to do *Rich Christians in an Age of Hunger* Ronald J. Sider, 2015-07-28 In an age obsessed with wealth Christians seem to have forgotten that scripture encourages believers to give to the poor Why do 1.3 billion people live in abject poverty And what should Christians do about it Despite a dramatic reduction in world hunger 34,000 children still die daily of starvation and preventable disease and 1.3 billion people around the world remain in abject poverty Dr Ron Sider a professor of theology examines the issues of poverty and hunger in modern society While the Bible is full of instructions to care for the poor and warns against being seduced by riches it's been statistically proven that the richer countries become the less they give Finding that conservatives blame what they consider to be morally reprehensible individual choices and liberals blame what they believe to be constrictive social and economic policy Dr Sider finds himself agreeing with both sides First published in 1978 *Rich Christians in an Age of Hunger* has had an enormous impact on how believers and churches view questions of poverty and hunger Dr Sider's insights provide a compelling look at what it truly means to follow Christ This edition of *Rich Christians in an Age of Hunger* is Newly revised expanded and updated Listed as one of the 100 most influential books in religion in the 20th century A resource for Christians seeking to overcome poverty and change the economic structures of our world In this fresh look at an age old problem Dr Sider offers a detailed explanation of the causes of poverty and hunger as well as a comprehensive series of practical solutions for Christians who want to seriously pursue their faith and become better followers of Jesus Rich Christians in an Age of Hunger Ronald J. Sider, 1997-05-01 **Christians in an Age of Wealth** Craig L. Blomberg, 2013-11-26 What does the Bible say about money material possessions and stewardship In *Christians in an Age of Wealth* Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money Taking a close exegetical look at this topic as it's discussed in Scripture Blomberg answers the toughest questions about Christianity and wealth Is there any one key to keeping possessions in their proper God intended perspective Are there limits on how rich we should become or on how poor we should allow others to get What does a truly Christian economic system look like How does the Bible's teaching on wealth fit into the gospel Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness He expands on the concept of giving generously even sacrificially to those who are needier demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world altering gospel of Christ _____ Part of the Biblical Theology for Life series this practical and challenging book will help you and your church ground your worldly possessions on the solid foundation of biblical
