Richard III. Jacob Abbott, 1886 Richard III Jacob Abbott, 2021-10-11 Richard III From Jacob Abbott *Makers of History Richard III Annotated* Jacob Abbott, 2019-02-13 Jacob Abbott chronicles the unspeakably treacherous rise of Richard III to the throne of England in the midst of the war between the Yorks and the Lancasters and his ultimate fall on the Field of Bosworth Richard III Jacob Abbott, 2018-08-11 Richard III Jacob Abbott The castle of Ludlow where the boys were residing when this letter was written was a strong fortress built upon a rock in the western part of England not far from Shrewsbury The engraving is a correct representation of it as it appeared at the period when those boys were there and it gives a very good idea of the sort of place where kings and princes were accustomed to send their families for safety in those stormy times Soon after the period of which we are speaking Ludlow Castle was sacked and destroyed The ruins of it however remain to the present day and they are visited with much interest by great numbers of modern travelers We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Makers of History Richard III Jacob Abbott, 2019-08-16 The works of Jacob Abbott are considered by critics as one of the best classical works of universal literature **Makers of History Richard III. by Jacob Abbott**
