Music And Its Effect On Body Mind And Soul

Katherine Butler,Samantha Bassler

Music And Its Effect On Body Mind And Soul:

Music, Neurology, and Neuroscience: Evolution, the Musical Brain, Medical Conditions, and Therapies

,2015-03-02 Did you ever ask whether music makes people smart why a Parkinson patient's gait is improved with marching tunes and whether Robert Schumann was suffering from schizophrenia or Alzheimer's disease This broad but comprehensive book deals with history and new discoveries about music and the brain It provides a multi disciplinary overview on music processing its effects on brain plasticity and the healing power of music in neurological and psychiatric disorders In this context the disorders the plagued famous musicians and how they affected both performance and composition are critically discussed and music as medicine as well as music as a potential health hazard are examined Among the other topics covered are how music fit into early conceptions of localization of function in the brain the cultural roots of music in evolution and the important roles played by music in societies and educational systems Topic Music is interesting to almost everybody Orientation This book looks at music and the brain both historically and in the light of the latest research findings Comprehensiveness This is the largest and most comprehensive volume on music and neurology ever written Quality of authors This volume is written by a unique group of real world experts representing a variety of fields ranging from history of science and medicine to neurology and musicology

The Routledge Companion to Music, Mind, and Well-being

Penelope Gouk,James Kennaway,Jacomien Prins,Wiebke Thormahlen,2018-12-07 In recent decades the relationship between music emotions health and well being has become a hot topic Scientific research and new neuro imaging technologies have provided extraordinary new insights into how music affects our brains and bodies and researchers in fields ranging from psychology and music therapy to history and sociology have turned their attention to the question of how music relates to mind body feelings and health generating a wealth of insights as well as new challenges Yet this work is often divided by discipline and methodology resulting in parallel yet separate discourses In this context The Routledge Companion to Music Mind and Well being seeks to foster truly interdisciplinary approaches to key questions about the nature of musical experience and to demonstrate the importance of the conceptual and ideological frameworks underlying research in this field Incorporating perspectives from musicology history psychology neuroscience music education philosophy sociology linguistics and music therapy this volume opens the way for a generative dialogue across both scientific and humanistic scholarship The Companion is divided into two sections The chapters in the first historical section consider the varied ways in which music the emotions well being and their interactions have been understood in the past from Antiquity to the twentieth century shedding light on the intellectual origins of debates that continue today The chapters in the second contemporary section offer a variety of current scientific perspectives on these topics and engage wider philosophical problems The Companion ends with chapters that explore the practical application of music in healthcare education and welfare drawing on work on music as a social and ecological phenomenon Contextualising contemporary scientific research on music within

the history of ideas this volume provides a unique overview of what it means to study music in relation to the mind and well being

Music, Myth and Story in Medieval and Early Modern Culture Katherine Butler, Samantha Bassler, 2019 The complex relationship between myths and music is here investigated Myths and stories offer a window onto medieval and early modern musical culture Far from merely offering material for musical settings authoritative tales from classical mythology ancient history and the Bible were treated as foundations for musical knowledge Such myths were cited in support of arguments about the uses effects morality and preferred styles of music in sources as diverse as theoretical treatises defences or critiques of music art sermons educational literature and books of moral conduct Newly written literary stories too were believed capable of moral instruction and influence and were a medium through which ideas about music could be both explored and transmitted How authors interpreted and weaved together these traditional stories or created their own reveals much about changing attitudes across the period Looking beyond the well known figure of Orpheus this collection explores the myriad stories that shaped not only musical thought but also its styles techniques and practices The essays show that music itself performed and created knowledge in ways parallel to myth and worked in tandem with old and new tales to construct social political and philosophical views This relationship was not static however as the Enlightenment dawned the once authoritative gods became comic characters and myth became a medium for ridicule Overall the book provides a foundation for exploring myth and story throughout medieval and early modern culture and facilitating further study into the Enlightenment and beyond

KATHERINE BUTLER is a senior lecturer in music at Northumbria University **SAMANTHA BASSLER** is a musicologist of cultural studies a teaching artist and an adjunct professor in the New York metropolitan area

Contributors Jamie Apgar Katie Bank Samantha Bassler Katherine Butler Elina G Hamilton Sigrid Harris Ljubica Ilic Erica Levenson John MacInnis Patrick McMahon Aurora Faye Martinez Jacomien Prins Tim Shephard Jason Stoessel F rdia J Stone Davis Amanda Eubanks Winkler

The Cambridge History of Seventeenth-Century Music Tim Carter, John Butt, 2005-12-22 The Cambridge History of Seventeenth Century Music seeks to provide the most up to date knowledge on seventeenth century music together with a vital questioning of the way in which such a history can be told or put together for our present purposes Written by a distinguished team of experts in the field the chapters not only address traditional areas of knowledge such as opera and church music but also look at the way this extremely diverse and dynamic musical world has been categorised in the past and how its products are viewed from various cultural points of view While this history does not depart entirely from the traditional study of musical works and their composers there is a strong emphasis on the institutions cultures and politics of the age together with an interrogation of the ways in which music related to contemporary arts sciences and beliefs

AKASHVANI All India Radio (AIR), New Delhi ,1981-03-01 Akashvani English is a programme journal of ALL INDIA RADIO it was formerly known as The Indian Listener It used to serve the listener as a bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part

in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927 From 22 August 1937 onwards it used to published by All India Radio New Delhi From 1950 it was turned into a weekly journal Later The Indian listener became Akashvani English w e f January 5 1958 It was made fortnightly journal again w e f July 1 1983 NAME OF THE JOURNAL AKASHVANI LANGUAGE OF THE JOURNAL English DATE MONTH YEAR OF PUBLICATION 1 MARCH 1981 PERIODICITY OF THE JOURNAL Weekly NUMBER OF PAGES 64 VOLUME NUMBER Vol XLVI No 9 BROADCAST PROGRAMME SCHEDULE PUBLISHED PAGE NOS 17 62 ARTICLE 1 Road Transport And Its Special Significance 2 Communal Harmony In Kerala 3 Pace Of Scientific Developments 4 The Changing Indian Village 5 A Visit To Kinnaur Area 6 Best Technique Of Self discipline 7 Music A Panacea For Ailments AUTHOR 1 Haradhan Chakraborty 2 P K T Raja 3 Aboni Chandra Goswami 4 N S Jagannathan 5 S S Banyal 6 Dr Shredhar Sharma 7 Dr S Seetha Prasar Bharati Archives has the copyright in all matters published in this AKASHVANI and other AIR journals For reproduction previous permission is essential
