Crisis, Reinvention and Resilience in Museums Philip W. Deans, 2024-10-08 This book explores museum crises Through an investigation into the experience of the Imperial War Museum during the Second World War era 1933 1950 it considers how crises disrupt museums and the contrasting defensive and revolutionary strategies which museums must adopt when mitigating crises It is situated in a small but emergent literature concerning museums and crisis Existing works mainly

comprise contemporary studies on difficult museum experiences predominantly financial difficulty wherein the term crisis has been applied to describe an institution's general state of malaise. This book by contrast presents an innovative and groundbreaking historical case study on a single museum facing wholesale physical and ideological collapse, deploying original crisis concepts to analyse different critical situations and the pathology underlying them. Becoming an Archaeologist Joseph Flatman, 2022-11-03. *Becoming an Archaeologist: A Guide to Professional Pathways* is an engaging handbook on career paths in archaeology. It outlines the process of getting a job in archaeology, including various career options, the training required, and how to get positions in the academic, commercial, government, and charity sectors. This new edition has been substantially revised and updated. The coverage has been expanded to include many more examples of archaeological lives and livelihoods from dozens of countries around the world. It also has more interviews with in-depth analyses of the career paths of over twenty different archaeologists working around the world. Data on the demographics of archaeologists has also been updated, as have sections on access to and inclusion in archaeology. The volume also includes revised and updated appendices and a new bibliography. Written in an accessible style, the book is essential reading for anyone interested in a career in archaeology in the twenty-first century. *An Introduction to the Entertainment Industry* Andi Stein, Beth Bingham Evans, 2009. Whether it's a favorite television show, an artist at the top of the music charts, a best-selling book, or a hometown sports team, we love entertainment. It's big business, and in this accessible introduction, Andi Stein and Beth Bingham Evans give readers a glimpse inside the industry to better understand how each segment operates and the challenges and trends it faces. Each chapter addresses a different segment of the entertainment industry, including Film, Television, Radio, Theatre, Music, Travel, Tourism, and Sports. The book is designed as an introductory text for entertainment courses and as an overview of the industry for those looking to pursue careers in the field of entertainment. A list of resources is provided at the end of each chapter. The Arts A.M. Buckley, 2011-01-01. This title examines the positions of artist, dancer, photographer, and curator.
