Santa Claus The Magical World Of Father Christmas:

Santa Claus Rod Green, 2009 Everyone knows what Santa Claus does but how exactly does he manage it Explore the incredible details of Santa's world in this book but once you've found out shhh keep it to yourself He can tell if you're sound asleep or not He keeps a list of who's been naughty And he manages to deliver presents to every child in one night Discover some of Santa's best kept secrets from his hidden house at the North Pole to his amazing sleigh and the power of magic that really can help reindeer learn how to fly Meet the most important person in Santa's life Mrs Claus and the army of elves who work so hard to make Christmas such a special time of year The MAGICAL World of Florence Harrison Sandy Hargrove, 2012-05-06 The MAGICAL World of Florence Harrison is a book of the Fairy illustrations made by the artist Florence Harrison Many of these works of art come from her better known books In The Fairy Ring and Elfin Song Many others were found in increasingly scarce volumes of annuals budgets story collections from the early 20th Century Descriptions are given of the magical beings known to the people of her time This book is written to present the best examples many of which are rarely seen of Harrison's fairy art to new generations of those who still believe in magic The Real Magic of Santa Claus Anthony N. Canamucio, 2009-10-21 Ages 8-12 A child asking the question Is Santa real does not want to wait through a movie or a longer book to get their answer They are expecting a yes or a no right away This book is a thoughtful way to expand on that answer written and drawn to be understood and enjoyed by children who are eight to eleven or twelve Every child gets older and has questions about Santa Claus This time need not be one of sadness and disappointment for the child or the adult The Real Magic of Santa Claus is a lesson in love and sharing The goal of the book is in five or ten minutes to turn what is sometimes a disappointing yes or no answer into a cherished experience for both the child and parent or grand parent The Real Magic of Santa Claus answers a child's questions honestly in such a way that the reader will come to their own conclusion as to whether or not Santa is a man in a red suit They go on to discover that they are now part of the story and that the heart of a generous orphan boy from Turkey can live on in them as it has in millions for over a thousand years They'll discover that this is much more magical than flying reindeer c 2009 Canamucio *The Big Book of Christmas Magic: 400+ Holiday Novels, Tales, Poems, Carols & Legends* Selma Lagerlöf, Charles Dickens, Mark Twain, Harriet Beecher Stowe, Martin Luther, Robert Louis Stevenson, William Shakespeare, Henry Wadsworth Longfellow, Max Brand, William Wordsworth, Carolyn Wells, Sophie May, Louisa May Alcott, Henry Van Dyke, Walter Scott, Susan Anne Livingston Ridley Sedgwick, Anthony Trollope, Rudyard Kipling, Beatrix Potter, Emily Dickinson, Lucas Malet, Thomas Nelson Page, O. Christmas as Religion
Christopher Deacy, 2016-07-28 In Christmas as Religion Christopher Deacy explores the premise that religion plays an elementary role in our understanding of the Christmas festival but takes issue with much of the existing literature which is inclined to limit the contours and parameters of religion to particular representations and manifestations of institutional forms of Christianity Religion is often tacitly identified as having an ecclesiastical frame of reference so that if the Church is not deemed to play a central role in the practice of Christmas for many people today then it can legitimately be side lined and relegated to the periphery of any discussion relating to what Christmas means Deacy argues that such approaches fail to take adequate stock of the manifold ways in which people's beliefs and values take shape in modern society For example Christmas films or radio programmes may comprise a non specifically Christian but nonetheless religiously rich repository of beliefs values sentiments and aspirations Therefore this book makes the case for laying to rest the secularization thesis with its simplistic assumption that religion in Western society is undergoing a period of escalating and irrevocable erosion and to see instead that the secular may itself be a repository of the religious Rather than see Christmas as comprising alternative or analogous forms of religious expression or dependent on any causal relationship to the Christian tradition Deacy maintains that it is religious per se and moreover it is its very secularity that makes Christmas such a compelling and even transcendent religious holiday

How Christmas Became Christmas Nathaniel Parry, 2022-10-31 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ Chapters chronicle how Christmas's magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs

The True Story of Santa Claus Janet Giovanelli, 2020-10-13 He's a symbol of hope and happiness of generosity and benevolence Santa Clause is simply one of the most beloved legends ever embraced The Story of Santa explores the history of Father Christmas Who is he really Where did he come from His origins may surprise you Why does he fulfill our wishes And what can we learn from him He's become a ubiquitous figure during the Christmas season with his white beard red suit and prominent belly but just how much do those celebrating the happy holiday really know about Santa Claus Here is the whole story from the beginning including the pre-Santas like Sinterklaas Father Christmas and of course St Nicholas This beautifully illustrated book celebrates all things Santa ranging from the much-loved poem *The Night Before Christmas* to the songs movies images and stories that are loved by both young and old Along the way it explores the favorite stories that have sprung up around him including Santa's elves his workshop Santa's beloved reindeer and the legend of Mrs Claus and the North Pole abode where she and her husband make their home You'll even learn the secret to how Santa has time to visit every house around the world in just one night a mathematician explains how it's physically possible
