

A classical portrait of Queen Anne, showing her from the chest up. She has dark hair styled in a bun, a serene expression, and is wearing a yellow dress with a white lace collar. The background is dark and textured.

QUEEN ANNE

PATRONESS *of* ARTS

JAMES ANDERSON WINN

Queen Anne Patroness Of Arts

Crawford Matthews

Queen Anne Patroness Of Arts:

Queen Anne James Anderson Winn, 2014 As the last Stuart monarch Queen Anne 1665 1714 received the education thought proper for a princess reading plays and poetry in English and French while learning dancing singing acting drawing and instrumental music As an adult she played the guitar and the harpsichord danced regularly and took a connoisseur's interest in all the arts In this comprehensive interdisciplinary biography James Winn tells the story of Anne's life in new breadth and detail and in unprecedented cultural context Winn shows how poets painters and musicians used the works they made for Anne to send overt and covert political messages to the queen the court the church and Parliament Their works also illustrate the pathos of Anne's personal life the loss of her mother when she was six her troubled relations with her father and her sister James II and Mary II and her own doomed efforts to produce an heir Her eighteen pregnancies produced only one child who lived past infancy his death at the age of eleven mourned by poets was a blow from which Anne never fully recovered Her close friendship with Sarah Duchess of Marlborough a topic of scabrous ballads and fictions ended in bitter discord the death of her husband in 1708 left her emotionally isolated and the wrangling among her chief ministers hastened her death Richly illustrated with visual and musical examples Queen Anne draws on works by a wide array of artists among them the composer George Frideric Handel the poet Alexander Pope the painter Godfrey Kneller and the architect Christopher Wren to shed new light on Anne's life and reign This is the definitive biography of Queen Anne *Opera and Politics in Queen Anne's Britain, 1705-1714* Thomas McGeary, 2022 Explores the political meanings that Italian opera its composers agents and institutions had for audiences in eighteenth century Britain The reign of Queen Anne 1702 1714 was pivotal for both politics and opera in Britain In this study Thomas McGeary brings together a wide range of sources to show how the worlds of politics and opera were entwined The associations that Italian singing and singers acquired by the 1690s were used in partisan Whig Tory writings Rather than a foreign invasion McGeary shows how the introduction of Italian style opera was a native product that grew out of plans for a new theatre in the Haymarket A crucial event for opera was Handel's arrival in London in 1710 While the criticism of opera by Whig writers such as Richard Steele and Joseph Addison is well known McGeary uncovers how the early promotion and sponsorship of opera was in fact largely a Whig enterprise and cultural program Indeed major political figures mostly Whigs participated in the support and patronage of opera *Opera and Politics in Queen Anne's Britain* will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period *Opera and Politics in Queen Anne's Britain* will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period *Opera and Politics in Queen Anne's Britain* will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period *Opera and Politics in Queen Anne's Britain* will

be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period

Vrouwelijke muziekmecenassen in de Republiek der Nederlanden Veronica van Amerongen, 2022-12-22 De invloed van vrouwen op het muziekleven in de Republiek der Nederlanden 1579 1795 is veel groter dan tot nu toe altijd is aangenomen Vrouwen speelden namelijk een substantiële rol in het ondersteunen van musici door middel van geld of bescherming Muziekhistorica Veronica van Amerongen heeft dit ontdekt door onderzoek te doen naar onder andere opgedragen partituren intekenlijsten bij muziekstukken en betaling van orgels en klokkenspielen Het is opmerkelijk dat vrouwen optraden als mecenas want ze waren in die tijd officieel niet handelingsbekwaam en dus voor financiële uitgaven afhankelijk van familie Het mecenaat was vooral verbonden aan de stadhouderlijke hoven rijke vrouwen en de adel Met name de uit het buitenland afkomstige stadhoudersvrouwen hebben een belangrijk aandeel gehad in het stimuleren van een vorstelijk muziekleven Winterkoningin Elizabeth Stuart 1595 1662 en de muzikale stadhoudersvrouw Anna van Hannover 1709 1759 zetten wat dit betreft de toon

1650-1850 Kevin L. Cope, Samara Anne Cahill, 2023-04-14 Rigorously inventive and revelatory in its adventurousness 1650 1850 opens a forum for the discussion investigation and analysis of the full range of long eighteenth century writing thinking and artistry Combining fresh considerations of prominent authors and artists with searches for overlooked or offbeat elements of the Enlightenment legacy 1650 1850 delivers a comprehensive but richly detailed rendering of the first days the first principles and the first efforts of modern culture Its pages open to the works of all nations and language traditions providing a truly global picture of a period that routinely shattered boundaries Volume 28 of this long running journal is no exception to this tradition of focused inclusivity Readers will experience two blockbuster multi author special features that explore both the deep traditions and the new frontiers of early modern studies one that views adaptation and digitization through the lens of Sterneana the vast literary and cultural legacy following on the writings of Laurence Sterne a legacy that sweeps from Hungarian renditions of the puckish novelist through the Bloomsbury circle and on into cybernetics and one that pays tribute to legendary scholar Irwin Primmer by probing the always popular but also always challenging writings of that enigmatic poet philosopher Bernard Mandeville All that plus the usual cavalcade of full length book reviews ISSN 1065 3112 Published by Bucknell University Press distributed worldwide by Rutgers University Press

Literature and the Arts Anna Battigelli, 2023-10-13 The ten essays in Literature and the Arts explore the intermedial plenitude of eighteenth century English culture honoring the memory of James Anderson Winn whose work demonstrated how seeing that interplay of the arts and literature was essential to a full understanding of Restoration and eighteenth century English culture Scenery machinery music dance and texts transformed one another both enriching and complicating generic distinctions Artists were alive to the power of the arts to reflect and shape reality and their audience was quick to turn to the arts as performative pleasures and critical lenses through which to understand a changing world This collection's eminent authors discuss estate

design musicalized theater the visual spectacle of musical performance stage machinery and set designs the social uses of painting and singing drama s reflection of a transformed military infrastructure and the arts of memory and of laughter

Fiddled out of Reason John William Knapp,2019-04-11 Fiddled out of Reason is a study of several poems spanning the life and career of Joseph Addison who along with John Dryden Alexander Pope Ambrose Philips Isaac Watts and many British poets of the turn of the eighteenth century helped to cultivate a broad new current of nonliturgical hymnic verse that became immensely popular across that century though it has eluded critical notice until now The texts the book examines Addison s St Cecilia s Day odes 1692 1699 his libretto for the opera Rosamond 1707 and a sequence of five hymnic works in The Spectator 1712 precede by twenty five years John Wesley s publication of the first hymnal for use in the Church of England The book argues that secular hymnic works such as Addison s emerged alongside religio political controversies and anxieties about British national identity morality and expressions of enthusiastic passions Church and Tory interests largely rejected hymnic verse claiming it would only fiddle unwitting readers out of their reason and reignite the dangerous fervor of Revolution era Nonconformity and Dissent As is evident from his poetry Addison a moderate Whig ardently opposed this view arguing that the hymnic could in fact be a portal to national and individual amelioration After an introductory chapter exploring period conceptions of hymnic poetry and the highly contested term hymn itself the argument proceeds through three sections to trace the hymnic s upward trajectory through Addison s early mid period and mature verse The book devotes the lion s share of its attention to the last of these three which includes the five poem Spectator sequence a poem from the sequence The Spacious Firmament on High will be familiar to many readers Indeed in addition to offering new readings of hymnic works by Dryden and Pope Fiddled out of Reason provides the first extended critical treatment of these five important poems Publication of the book coincides with the 300th anniversary of Addison s death and with the appearance of a new Oxford edition of Addison s nonperiodical writings

Hidden Patrons Amy Boyington,2023-11-02 An enduring myth of Georgian architecture is that it was purely the pursuit of male architects and their wealthy male patrons History states that it was men who owned grand estates and houses who commissioned famous architects and who embarked upon elaborate architectural schemes Hidden Patrons dismantles this myth revealing instead that women were at the heart of the architectural patronage of the day exerting far more influence and agency than has previously been recognised Architectural drawing and design discourse and patronage were interests shared by many women in the eighteenth century Far from being the preserve of elite men architecture was a passion shared by both sexes intellectually and practically as long as they possessed sufficient wealth and autonomy In an accessible readable account Hidden Patrons uncovers the role of women as important patrons and designers of architecture and interiors in eighteenth century Britain and Ireland Exploring country houses Georgian townhouses villas estates and gardens it analyses female patronage from across the architectural spectrum and examines the work of a range of pioneering women from grand duchesses to businesswomen to lowly

courtesans Re examining well known Georgian masterpieces alongside lesser known architectural gems Hidden Patrons unearths unseen archival material to provide a fascinating new view of the role of women in the architecture of the Georgian era *Anglo-Prussian Relations 1701-1713* Crawford Matthews, 2024-02-20 In 1701 Frederick I crowned himself the first King in Prussia This title required a process of royal status construction in conjunction with other European rulers and Frederick found his most willing partners in the English monarchy This volume examines their ceremonial and military cooperation Diplomatic ceremonial was the medium through which the English state and its representatives recognised the new royal rank of the Hohenzollern dynasty In exchange Frederick engaged in extensive military cooperation with the English in the War of the Spanish Succession Yet English statesmen and diplomats also instrumentalised Anglo Prussian relations for their own status production furthering their careers and elevating their rank via the symbolic construction of Prussian royal dignity This book investigates this reciprocal construction of status and rank exploring the aims and actions of actors involved and assessing the extent to which they succeeded Consequently this book represents an actor centred work of new diplomatic history that simultaneously reinterprets the reign of Frederick I and assesses a crucial yet understudied chapter in the rise of Prussia This book will appeal to scholars and students of early modern diplomatic history as well as general readers interested in the history of England and Prussia *Women and Art in Early Modern Europe: Patrons, Collectors, and Connoisseurs*, 1999 This anthology reflects a larger impulse to recover women s involvement in the creation of an aesthetic culture from the late medieval through the early modern periods By asking how the perspectives and experiences of female patrons contributed to the invention of particular styles or iconographies or how they shaped taste or how they influenced demand these twelve original essays introduce significant new information about specific women patrons while raising theoretical issues for patronage studies more generally While most of the projects discussed are consistent with the period s male sanctioned concept of female patronage as an expression of conjugal devotion or dynastic promotion at the same time the women involved devised strategies that circumvented these rules allowing them to explore the potential of art as a means of proclaiming their own identity and taste **The Royal Throne of Mercy and British Culture in the Victorian Age** James Gregory, 2020-10-01 In the first detailed study of its kind James Gregory s book takes a historical approach to mercy by focusing on widespread and varied discussions about the quality virtue or feeling of mercy in the British world during Victoria s reign Gregory covers an impressive range of themes from the gendered discourses of emotional appeal surrounding Queen Victoria to the exercise and withholding of royal mercy in the wake of colonial rebellion throughout the British empire Against the backdrop of major events and their historical significance a masterful synthesis of rich source material is analysed including visual depictions paintings and cartoons in periodicals and popular literature and literary ones in sermons novels plays and poetry Gregory s sophisticated analysis of the multiple meanings uses and operations of royal mercy duly emphasise its significance as a major theme in British cultural history during the long 19th

century This will be essential reading for those interested in the history of mercy the history of gender British social and cultural history and the legacy of Queen Victoria s reign
