Sealed With A Curse A Weird Girls Novel:

Sealed With a Curse Cecy Robson, 2012-12-31 Celia Wird and her three sisters are just like other 20 something girls with one tiny exception they re products of a backfired curse that has given each of them unique powers that make them well weird The Wird sisters are content to avoid the local vampires werebeasts and witches of the Lake Tahoe region until one of them blows up a vampire in self defense Everyone knows vampires aren t aggressive and killing one is punishable by death But soon more bloodlust fueled attacks occur and the community wonders are the vampires of Tahoe cursed with a plague Celia reluctantly agrees to help Misha the handsome leader of an infected vampire family But Aric the head of the werewolf pack determined to destroy Misha s family to keep the region safe warns Celia to stay out of the fight Caught between two hot alphas Celia must find a way to please everyone save everyone and oh yeah not lose her heart to the wrong guy or die a miserable death Because now that the evil behind the plague knows who Celia is it s coming for her and her sisters This Wird girl has never had it so tough

The Weird Girls Cecy Robson, 2018-12-28 Celia Wird and her three sisters are just like other 20 something girls with one tiny exception they re products of a backfired curse that has given each of them unique powers that make them well a little weird The Wird sisters are different from every race on earth human and supernatural When human society is no longer an option for them they move in among the resident vampires werebeasts and witches of the Lake Tahoe region Could this be the true home they ve longed for Um not quite After the sisters accidentally strip a witch of her powers in a bar brawl they soon realize the mistake will cost them Because to take on a witch means to take on her coven And losing the battle isn t an option Includes a preview of the first full length novel in the Weird Girls series Sealed with a Curse as well as introductions to the Weird World and a letter from the author

A Cursed Embrace Cecy Robson, 2013-07-02 Celia Wird and her three sisters are just like other twentysomething girls with one tiny exception They are the products of a curse that backfired and gave each of them unique powers that made them well a little weird After Celia Wird and her sisters help master vampire Misha save his family their powers are exposed to the supernatural community of the Lake Tahoe region But fame comes at a price and being weird isn t always welcome To make matters worse Celia desires the love of Alpha werewolf Aric but his pack is bent on destroying their relationship to preserve his pureblood status And once weres start turning up dead with evidence pointing to the vampires she must face the prospect of losing Aric forever But the chaos only masks a new threat An evil known as the Tribe has risen and their sights are set on Celia and her sisters

A Cursed Bloodline Cecy Robson, 2014-11-18 Robson delivers in another spell binding addition to the Weird Girl series that had me constantly on the edge of my seat never knowing what to expect next I think Robson may have ruined all other UF books for me My Guilty Obsession Just when Celia thinks the supernatural world can t turn deadlier a new rival emerges proving just how dangerous a power hungry were can be Since being cursed with unique abilities Celia Wird and her three sisters have fought the most bloodthirsty preternaturals in the Lake Tahoe region But Celia s greatest threat is

someone she would have never suspected Anara a werewolf Elder who has allowed his hatred for Celia to spiral out of control In a play for dominance Anara tortures Celia and gives her an ultimatum sever her mate bond with pureblood were Aric or Anara will kill everyone she loves From the instant they met Celia and Aric have shared an attraction that cannot be tamed So keeping Aric away is impossible and Aric would sooner die than allow anyone to hurt the woman he loves Misha master vampire and Celia s sworn protector also finds his way into the chaos seeking blood from those who have harmed her Now Celia and her sisters are caught in the middle of a war driven by lust fueled by hatred and destined to end in tragedy For Anara is a force to be reckoned with and he will not succumb without robbing Celia of those who hold her heart Of Flame and Light Cecy Robson,2016-10-18 This series is on my auto buy list USA Today Taran Wird holds the unique ability to conjure fire and lightning She is mated to Gemini Second in Command to the Squaw Valley Pack of the Lake Tahoe Region and the sole werewolf to possess the ability to split into two wolves And although they are mates Taran s insecurities have driven them apart Devastated by an injury that left her with a zombie like limb Taran struggles to regain command over her magic But when her arm and her power turn against her lashing out on those she most loves she knows she can no longer carry this burden alone Not that she likes the alternative The only way to regain control of her magic is to align and learn from the local coven of witches the very ones who sought to banish her when she and her three unique sisters first moved to the mystical region But although Taran is trying the teachings don t come easy and the tasks leave her weak and emotionally shattered Yet Taran must learn and learn fast Time is running out The fire she once mastered so easily has become her greatest adversary and is now slowly burning her alive *A Curse Unbroken* Cecy Robson,2015-03-10 5 Stars With a FAT PLUS Amazing couldn t put it down Hands down best paranormal series ever Paranormal Cravings Fans of Keri Arthur will love the Weird Girls four sisters cursed with supernatural powers In Cecy Robson s latest urban fantasy romance the search is on for an unholy grail while evil is licking its wounds and looking for revenge The preternatural world is changing After a massive magical throwdown tore apart the established order the dark elements are rebuilding their ranks unopposed Celia Wird s world is changing too She s the mate of the pureblood were Aric and his Warriors are honor bound to protect her family as she and her sisters recover from unimaginable horrors Celia hesitates to reveal the true extent of the Wird sisters trauma but they aren t the only ones keeping secrets Aric and the werewolf Elders are tracking a stone that grants limitless power So is a tough coven of witches Then Misha a master vampire with his own plans for the stone sends Celia after it Can she and the vamps beat both the weres and the witches to the treasure before it falls into the wrong hands Fearing for Celia s safety Aric begs her to stay out of the hunt What they don t realize is that they re the ones being hunted But Celia s ready to prove that she s not easy prey *Cursed By Destiny* Cecy Robson,2014-01-07 Celia Wird and her three sisters are just like other 20 something girls with one tiny exception they re products of a backfired curse that has given each of them unique powers that make them well weird Celia s a girl in trouble Her heart is bound to Aric but he is a pureblood were who

must deny her or risk condemning his species to extinction And that s just her love life She s also been called to take down a group of demon terrorists looking to overthrow the paranormal world No pressure In order to bring them down Celia must ally herself to Misha the master vampire who has made no secret of his desire for her And if that weren t enough misfortune for one girl a clairvoyant s prediction could destroy Celia and Aric s love for good The only way to protect the world from unbridled supernatural terrorism is for Celia to bind herself to her destined mate And that doesn t appear to be Aric

A Cursed Moon Cecy Robson,2013-12-03 Meet the furry big brother that the Wird sisters never had Bren is a cocky brash hound of a werewolf who loathes the idea of belonging to Aric s pack much less finding a mate But Bren s hotheaded behavior lands him in the doghouse when he defies Aric s authority in front of his pack bringing up a sore subject that s bound to make the Alpha wolf s blood boil Luckily for him no one can stay mad at Bren and his wild charm for long And when some frightening ghosts launch a hostile paranormal takeover Bren will team up with Celia to take down the evil ghouls before they hurt someone they both love

Of Flame and Fate Cecy Robson,2017-09-26 I definitely recommend this series for lovers of all things paranormal and awesome USA Today Taran Wird who commands the power to wield fire and lightning is an oddity in the supernatural world But neither Taran nor her unique sisters compare to the bizarre entity known as Destiny And Taran is assigned to protect her Born of two witches Destiny is revered among the supernatural elite for her acute ability to predict the future Her biggest prophecy involves Taran s sister Celia whom Destiny decreed will bear children strong enough to take on the evil that s rising Yet Destiny is not alone in her predictions or individuality When Johnny Fate a rock star among humans and a male version of Destiny is discovered his powers and Destiny s clash triggering the start of Destiny s demise and altering the fate of Celia s unborn children Taran her werewolf lover Gemini and their allies must determine if it s Fate who will decide what will become of Celia s children or if their lives and the world will perish with Destiny

Gone Hunting Cecy Robson,2018-10-24 I need good characters in order to truly enjoy a book series NEED them This has been my main attraction to this series from the beginning it has such a great set of them Cecy continues to keep the Weird Girls series fun and exciting Christy s Love of Books The rest of the werewolf pack might consider Aric Connor to be omniscient and destined to save the world when evil returns to claim it But for the most part fifteen year old Aric ignores the confirmations of his powers taking everything in stride until he meets her Celia Wird wasn t supposed to awaken naked in the mountains of Colorado not when she was just stalking her prey in a filthy alley several states away She especially wasn t supposed to meet Aric the handsome werewolf who comes to her aid As a supernatural tasked with protecting the earth Aric sympathizes with Celia s dangerous situation He s also struck by her beauty and kindness Yet as much as Aric welcomes Celia her arrival isn t a peaceful one Dark forces stir in Celia s presence resolute on killing her Aric and his inner beast are adamant about keeping Celia safe and with them But there s a time and a place for love and Aric and Celia might not survive long enough to find it
