#SUCCESSFUL CORPORATE LEARNING Tweet Book01 Terry Lydon, Mitchell Levy, 2012 Every organization large or small expends time and resources in training its partners vendors and customers This is only natural since it is in the best interest of any organization that its product or service be optimally deployed or consumed When the value and utility of a company s offering becomes fully appreciated by all stakeholders then the road to success in marketing and selling becomes that much smoother In spite of this being common knowledge training efforts are often less than fruitful because a company s partner or vendor education organization is either loosely structured or not leveraged to its full potential Training efforts therefore tend to pack a lighter punch than they should or could With the right knowledge and insights companies can streamline processes increase revenues and reduce expenses for their customer and partner education organization In their latest book **SUCCESSFUL CORPORATE LEARNING tweet Book01 Profitable Training by Optimizing Your Customer and Partner Education Organization** corporate veterans Terry Lydon and Mitchell Levy show you the path to profitable training Among the wisdom they share are ways to streamline communications and document and measure goals for your organization Their ready to action insights touch upon niche areas like innovative incentives which could include tying satisfaction surveys to bonuses As the authors show several functions in a training department tend to be repetitive including scheduling resources communicating with customers and reporting and it can take some dogged detective work to identify them all If you can streamline some or all of these repetitive areas then it frees executives up for more strategic tasks such as marketing or sales initiatives **SUCCESSFUL CORPORATE LEARNING tweet Profitable Training by Optimizing Your Customer and Partner Education Organization** is presented in the accessible and increasingly popular tweet format a format that allows its readers to pick up bits and pieces of profitable training and immediately start to achieve great results **SUCCESSFUL CORPORATE LEARNING tweet Profitable Training by Optimizing Your Customer and Partner Education Organization** is part of the **THiNKaha** series whose slim and handy books contain 140 well thought out quotes tweets ahas **# It Operations**

Management Tweet Book01 Peter Spielvogel, Jon Haworth, Sonja Hickey, 2011-04-19 Managing IT infrastructure has always been challenging and virtualization and cloud computing make this even more difficult Authors Spielvogel John Haworth and Sonja Hickey explain how to manage IT infrastructure while encouraging readers to think a different way about some of their decisions **# RISK MANAGEMENT Tweet Book01** Cinda Voegtli, Laura Erkeneff, 2011-07 Voegtli and Erkeneff give managers an easy guide to handling risk thereby enhancing their performance at work This quick and handy title is an introduction or refresher on how to determine risk and practice risk management in everyday work habits

#Cultural Transformation Tweet Book01 Melissa Lamson, 2011 Annotation Virtually any middle manager has worked across cultures and geographies with multicultural and global teams As a result of this shift almost every organization today is experiencing a massive cultural transformation This can only happen when leaders apply best practices and expert

guidance to crossing cultures and working globally **#Lean Six Sigma Tweet** Shree Nanguneri,2011 Within any dynamic business climate Lean and Six Sigma are symbiotic perhaps even inseparable Whereas Six Sigma methodologies are widely accepted as benchmarks for increasing profitability via product service performance in every constrained area of an organization Lean is closely associated with speed efficiency and waste minimization While meeting modern quality standards corporations must simultaneously decrease lead times and become ever more proactive to evolving customer urgencies Therefore as manufacturing cycles get shorter and innovation accelerates Six Sigma and Lean need to be integrated using the applied theory of constraints into the business product service flow as Lean Six Sigma LSS Enter Dr Shree Nanguneri with his expertise in LSS methodologies and strategies and experience in LSS deployments across corporations continents and cultures In LEAN SIX SIGMA tweet Book01 Dr Shree shares insights with you derived from his team professional and personal experiences in LSS deployments He focuses on DMAIC Define Measure Analyze Improve and Control considered the hallmark of the LSS problem solving methodology showing how it is founded upon the premise of common people coming together for a common cause applying common sense to achieve uncommon results You will find his teachings equally applicable to diverse spheres including general manufacturing product prototyping engineering validation production trials final manufacturing launches call center customer service website back office management operations accounts payables or receivables and sales closure cycles You will understand what makes LSS work where deployment brittleness could occur and what to watch out for as you speed up your business processes By using the proven and popular tweet format Dr Shree has walked his talk He has honed his personal technique of transferring knowledge making the lessons in his book easy to absorb and assimilate With knowledge that you can immediately apply to your work environment this book helps you stay on top of the requirement to marry performance with speed and customer requirements so that your processes remain competitive at all times This handy book will find its nook on every professional s bookshelf LEAN SIX SIGMA tweet Book01 is part of the THiNKaha series whose 112 page books contain 140 well thought out quotes tweets ahas

#MANAGING Up Tweet Book01 Tony Deblauwe,Patrick Reilly,2012 It takes time and effort to cultivate any high quality relationship and the relationship with your boss is no exception What is unique about the boss employee relationship is that it can be a beacon for productivity job satisfaction and exceeding business objectives or it can be a burden which leads to stress a drop in morale and a loss of engagement and progress in one s career Successful companies are built on effective relationships both up and down the reporting chain Conversely businesses with the greatest chances for success have sometimes faltered simply because they failed to recognize the need to manage up the hierarchy MANAGING UP tweet by organizational experts Tony Deblauwe and Patrick Reilly is a concise and easy guidebook that helps you successfully navigate the right way to manage your boss to the mutual benefit of both parties and the organization Each section provides thought provoking and actionable statements that will help you learn how to effectively collaborate with your manager and drive a

better connection that positively impacts how each party views job roles expectations priorities and performance Their concise direct to action tips give you An overview of the boss employee relationship How to enter into productive collaboration and negotiation Ways to balance skillful interaction with on time deliverables Innovative ideas for improving your job satisfaction Even if you and your boss currently have a great relationship this book shows you how to increase the level of support success and satisfaction you receive in your daily work life MANAGING UP tweet cuts to the chase with bite sized bytes of wisdom that reveal how you can build effective communication and rapport upwards that will reverberate throughout your team Tony Deblauwe founder of HR4Change and Patrick Reilly president of Resources in Action Inc have extensive experience working with corporations large and small to coach leaders and employees alike how to manage and optimize human relationships in the workplace Their quick and valuable read will supercharge your productivity career and job satisfaction so that you achieve optimum alignment with your boss and the organization MANAGING UP tweet is part of the THiNKaha series whose slim and handy books contain 140 well thought out quotes tweets ahas #SUCCESSFUL CORPORATE LEARNING Tweet, Book04 Barbara Safani,Mitchell Levy,2012 In our modern often volatile economy we can no longer expect permanent or long term employment with any one employer Today s worker has on average multiple jobs and even multiple careers Layoffs terminations and pink slips are so universal that they are now euphemistically called downsizing or rightsizing But whatever the label the process is no easier to deal with not for the employee whose services are being terminated nor for the organization and executives who initiate the termination Fortunately there is a silver lining to all this turbulence and that is that the concept of career transition is here to stay Career transition is the process by which the terminating organization assists terminated employees with making the transition and often helps in the search for new employment While the benefits to the employee are apparent what is less clear are the benefits to the company effecting the downsizing Career transition helps displaced employees understand the business reasons for tough corporate decisions By keeping such displaced often disgruntled employees focused on their own future it shifts attention away from personal negatives like depression and greater ills like expensive lawsuits Strategic and compassionate career transition services have therefore become part of today s corporate environment In SUCCESSFUL CORPORATE LEARNING tweet Book04 Career Transition Training and Services That Work in Today s Environment career transition expert Barbara Safani collaborates with Amazon best selling author Mitchell Levy to show you how to make the career transition journey a little bit easier A worthy read for any mid or senior level executive who is faced either directly or indirectly with the prospect of downsizing this little volume packs a punch well above its weight It will help you and your organization manage a difficult downsizing process smoothly while preserving your company s reputation and treating displaced employees with dignity and respect SUCCESSFUL CORPORATE LEARNING tweet Book04 Career Transition Training and Services That Work in Today s Environment is part of the THiNKaha series whose slim and handy books contain 140 well thought out quotes tweets ahas

Corporate Culture Tweet S. Chris Edmonds, 2011 In CORPORATE CULTURE tweet Book01 S Chris Edmonds starts at the very beginning by showing you how to recognize an organization's culture and identify what a healthy workplace culture looks like and sounds like. This may sound trivial but it is not. Oftentimes surface appearances are deceptive and you need to dig a little to learn the truth. An organization that appears healthy and happy may have large numbers of low productivity, demotivated employees. Conversely, an organization that appears to have plateaued or be driven by a handful of strong personalities may counter to intuition, boast of stellar performers and consistently upbeat results. Having shown you how to recognize a healthy organization, the author uncovers the power of boss behavior. Most of us remember our best boss ever, a person who created a work environment that enabled us to perform at our best while being incredibly satisfied with our boss, team and work. Chris describes how great bosses behave to ensure that organizational culture standards are maintained and reinforced each day. Just as culture change is hard for individuals, it is difficult for organizations. It takes discipline and effort to focus on culture management day in and day out. Which is why Chris also engages us on accountability behaviors and actions that ensure that the desired organizational culture is embedded and acted upon. Written in the actionable tweet format and demonstrating the value that can be delivered in small packages, CORPORATE CULTURE tweet Book01 will find a home on every progressive corporate leader's bookshelf. CORPORATE CULTURE tweet Book01 is part of the THiNKaha series whose 112 page books contain 140 well thought out quotes, tweets, and ahas.
