Steel, 2001-04-04 This book is a typical murder romance but it has comedy silliness family support and friendship This book will take you out of your life and make you laugh shake your head agree with it cry over the sentimentality and just plain feel good and root for the heroin Every emotion you have will come into play I cried and I wrote it I laughed I got a little embarrassed and I wished certain things would happen to me And some did This story is about a girl who loses her parents tragically at age 16 and for years seems to be a % magnet but then like all stories she meets Mr right and is terrified of that This story will make you want romance dream of great friendships remember the girl in high school who was your arch enemy and you still have no idea it will make you think of the cute guy you loved but he was more messed up than you were so you never approached him it will give you dreams and ideas and longings And it will tell you what it feels like to have a baby in a graphically insensitive way that will have you saying Yep I know that's true So if you want to escape go back a couple hundred years indulge in fantasy and just have fun well why don't you buy this book and see how far it will take you If you have questions or comments I respond to all of them in e-mail form I'd really appreciate feedback on the chapter excerpt you can read here So please what do you think Do you want to get lost Get out of your daily life and go away If you do buy this book Harlequin Presents April 2015 - Box Set 2 of 2 Maisey Yates, Sharon Kendrick, Kate Hewitt, Kate Walker, 2015-04-01
