Presidents, Parties, and Prime Ministers David J. Samuels, Matthew S. Shugart, 2010-05-17 This book provides a framework for analyzing the impact of the separation of powers on party politics Conventional political science wisdom assumes that democracy is impossible without political parties because parties fulfil all the key functions of democratic governance They nominate candidates coordinate campaigns aggregate interests formulate and implement policy and manage government power When scholars first asserted the essential connection between parties and democracy most of the world s democracies were parliamentary Yet by the dawn of the twenty first century most democracies had directly elected presidents David J Samuels and Matthew S Shugart provide a theoretical framework for analyzing variation in the relationships among presidents parties and prime ministers across the world s democracies revealing the important ways that the separation of powers alters party organization and behavior thereby changing the nature of democratic representation and accountability **Presidents' Keg Party** Andrew Sheehy, 2010-12 History was never written in such a

light until Michael Kegeldork decided to tell the real inside story of what transpired during some of the most important moments of America's past. One Christmas Eve down the shore, Kegs thinks he's home alone when four figures from days gone by show up at his door step. The expected and unexpected take place during the next mystical twenty-four hours. If it wasn't for the beer, it probably would have been remembered as a true masterpiece of American journalism. With it, history becomes something you will never look the same at. George, Tommy, Abe, and Jack all want you to enjoy the read. Meeting the President Michael C. Westwood, 2004-08. A fictional political satire based on world and North American events from a conservative perspective. The Shadow President Michael D'Antonio, Peter Eisner, 2024-08-06. It presents an entirely damning portrait of Pence. You've seen his colors before but not so vividly and in this detail. Frank Bruni, The New York Times. Producing a biography of a living controversial politician is always difficult. D'Antonio and Eisner have succeeded in this well-documented damning book. Cue the outrage from Sean Hannity et al. Kirkus Reviews starred review. In this well-rounded, deeply investigated biography, the first full look at the vice president, two award-winning journalists unmask the real Mike Pence. Little known outside his home state until Donald Trump made him his running mate, Mike Pence, who proclaims himself a Christian first, a conservative second, and a Republican third, has long worn a carefully constructed mask of Midwestern niceness. Behind his self-proclaimed humility and self-abasing deference, however, hides a man whose own presidential ambitions have blazed since high school. Pence's drive for power, perhaps inspired by his belief that God might have big plans for him, explains why he shocked his allies by lending Christian credibility to a scandal-plagued candidate like Trump. In this landmark biography, Pulitzer Prize winner Michael D'Antonio and Emmy-nominated journalist Peter Eisner follow the path Pence followed from Catholic Democrat to conservative evangelical Republican. They reveal how he used his time as rightwing radio star to build connections with powerful donors, how he was a lackluster lawmaker in Congress but a prodigious fundraiser from the GOP's billionaire benefactors, and how once he locked in his views on the issues anti-gay, pro-gun, anti-abortion, pro-big business, he became laser-focused on his own pursuit of power. As **THE SHADOW PRESIDENT** reveals, Mike Pence is the most important and powerful Christian Right politician America has ever seen. Driven as much by theology as personal ambition, Pence is now positioned to seize the big prize, the presidency, and use it to fashion a nation more pleasing to his god and corporate sponsors. **Presidents and Prime Ministers** Patricia Lee Sykes, 2000. She reveals how conviction style politicians have appeared in the U.S. and U.K. at the same time individuals who articulated similar ideas that adapted liberal ideology to shifting circumstances and who achieved fundamental change at critical moments in their nations' histories.

Presidential Campaign Expenditures, Hearings Before ..., 70:1-70:2, Pursuant to S.Res. 214 ... 1928- United States. Congress. Senate. Special Committee Investigating Presidential Campaign Expenditures, 1928. Rocker, president, mayor, and civil servant Heiko Senking, 2025-07-31. Heiko Senking, alias Stasi, offers a candid glimpse into his extraordinary life between motorcycle clubs, the public prosecutor's office, and local politics. As president of MC Brenner, he organized
