Program Planning And Evaluation For The Public Manager:

Program Planning and Evaluation for the Public Manager Ronald D. Sylvia, Kathleen M. Sylvia, 2012-03-21 In an era of rapidly shrinking resources efficient utilization of public resources is of paramount importance Health care social services education law enforcement and other fields have established their own standards against which program operations are assessed National accrediting bodies have implemented systems of rigorous peer review to ensure the quality of program processes and outcomes Nongovernmental organizations must demonstrate success in achieving their stated goals in order to sustain or expand program funding In the 21st century process how programs are organized and how work is conducted has become as important as outcomes in determining program effectiveness Responding to these dynamic challenges the authors utilize concrete case studies to immerse students in the techniques of program evaluation They effectively examine systems theory project planning queuing theory cost benefit analysis and organization processes including standards based program accreditation providing practical examples in an easy to comprehend style In addition comprehensive discussions explain how process intervention is utilized to achieve program adaptations and strategic change Like its highly regarded predecessors the latest edition features evaluation exercises designed to facilitate student development of indicators and measures when dealing with real world programs An Instructors Manual provides solutions to the case studies in the appendix of the text further clarifying the program planning and evaluation process [Program Planning and Evaluation for the Public Manager](#) Ronald D. Sylvia, Kenneth J. Meier, Elizabeth M. Gunn, 1985 This text emphasizes evaluation as an indispensable component of program management The authors stress the importance of monitoring reviewing internal processes as well as systematically conceptualizing outcome evaluations [Case Research in Public Management](#) David E McNabb, 2014-12-18 Highly readable and non technical this handbook is designed to help students and non profit managers gain a working knowledge of the principles and practices of conducting qualitative case study research in public organizations This book is a motherload of practical and comprehensive guidance to planning conducting analyzing and reporting case research project findings McNabb begins with a detailed rationale for the use of the case research approach in public administration non profit organizations and political science Then it provides step by step instructions on how to conduct single case multicase and meta analysis research with guidelines on organizing and writing the case report Case Research in Public Management also includes many examples of case studies in a wide range of important topics in public administration including performance management sustainable government technology management security issues emergency and disaster management social and health services infrastructure public transportation and transforming the work of government [Life Cycle Program Management & Evaluation](#) George W. Mayeske, 1994 [International Dictionary of Public Management and Governance](#) Gambhir Bhatta, 2005 Concepts theories and vocabulary from many areas of theory and practice including law economics management politics psychology and military planning book review *Life*

Cycle Program Management George W. Mayeske, 1993 *The Effective Local Government Manager, 3rd Edition* N. Joseph Cayer, Raymond W. Cox III, Charldean Newell, 2014-04-15 The Effective Local Government Manager 3rd Edition reflects the rich history and modern reinvention of a profession that sprang up at the beginning of the twentieth century What does it mean to be a local government manager in today's world What can a manager accomplish What internal as well as external resources must the manager harness What motivates the manager's employers colleagues and employees For the student contemplating a career as a manager in public service The Effective Local Government Manager is almost obligatory reading Many instructors have built introductory courses on local government management around The Effective Local Government Manager For the young assistant in a city or county or for the mid career manager assessing new challenges The Effective Local Government Manager offers insights on your role and how you can best serve your community It explores the manager's many roles and responsibilities interacting with the community the governing body local government employees and other governments It offers the most up to date theory and practice of local government as well as tools of management This book is used as a text in ICMA University's Emerging Leaders Development Program **Handbook of Public Management Practice and Reform** Kuo-Tsai Liou, 2019-09-16 Outlining the origins motivations strategies implementations and effectiveness of reform policies and programs Handbook of Public Management Practice and Reform examines changes and challenges in major areas of public administration including budgeting finance human resources and organizational management reviews the lessons of reform and addresses new ideas and emerging issues Discussing the development and contribution of public administration education research and professional associations the book covers decentralization and deregulation institutional arrangement and support and cooperation between public and nonprofit organizations Public Management as a Design-Oriented Professional Discipline Michael Barzelay, 2019 While public management has become widely spoken of its identity and character is not well defined Such disparity is an underlying problem in developing public management within academia and in the eyes of practitioners In this book Michael Barzelay tackles the challenge of making public management into a true professional discipline Barzelay argues that public management needs to integrate contrasting conceptions of professional practice By pressing forward an expansive idea of design in public management Barzelay formulates a fresh vision of public management in practice and outlines its implications for research curriculum development and disciplinary identity *Program Planning and Evaluation for the Public Manager* Ronald D. Sylvia, Kathleen M. Sylvia, 2012
