Psychotic States In Children Tavistock Clinic Series:

Psychotic States in Children Alex Dubinsky, Helene Dubinsky, Maria Rhode, Margaret Rustin, 2018-06-27 Since it was founded in 1920 the Tavistock Clinic has developed a wide range of psychotherapeutic approaches to community mental health which have always been strongly influenced by psychoanalysis In the last thirty years it has also developed systemic family therapy as a new theoretical model and clinical approach to family problems The Clinic has become the largest training institution in Britain for work of this kind providing post graduate and qualifying courses in social work psychology psychiatry child adolescent and adult psychotherapy and latterly in nursing It trains about 1200 student each year in over 45 courses

Psychotic States in Children Alex Dubinsky, 1997 Developments in the understanding and psychotherapeutic treatment of children and adolescents suffering from psychotic levels of disturbance are dealt with in this work from the Tavistock Clinic Series The book is chiefly concerned with children troubled in their behaviour relationships and communication There is something extremely unsettling about the disturbed behaviour of sexually abused and severely troubled children In spite of a sometimes exasperating measure of perversion and destructive wilfulness these children manage to communicate a clear plea for help a plea which deeply affects those in their immediate surroundings who find themselves struggling to make sense of these contradictory messages This book describes significant new developments in the understanding and treatment of children and adolescents suffering from psychotic levels of disturbance Each chapter contains a clinical description of a child emerging from a psychotic state creating a useful collection of case histories

Assessment in Child Psychotherapy Emanuela Quagliata, Margaret Rustin, 2018-03-08 This book describes an approach to children and young people who might be helped by child psychotherapy Attention is paid to factors within the child's personality to strengths and impediments in the developmental process and to the family and wider school and community context Individual chapters address both clinical methods and a variety of clinical problems including work with very young children and their parents severe deprivation and family breakdown developmental delay and the more serious psychological illnesses of childhood *Assessment in Child Psychotherapy* is a significant contribution to all mental health professionals who need to be able to identify the precise nature of a child adolescent or family's problems and to offer the most appropriate help Such a book is long overdue It spans a range of thinking about how best to reach those whose emotional and behavioural difficulties pose challenging questions as to the most suitable forms of treatment

The Tavistock Century Sebastian Kraemer, Margot Waddell, 2020-09-30 Gathering together an incredible array of contributors from the past century of the Tavistock to cover all aspects of amazing work they do With chapters from David Armstrong James Astor Andrew Balfour Fred Balfour Sara Barratt David Bell Sandy Bourne Wesley Carr Andrew Cooper Gwyn Daniel Dilys Daws Domenico di Ceglie Emilia Dowling Andrew Elder Caroline Garland Peter Griffiths Rob Hale Sarah Helps Beth Holgate Juliet Hopkins Marcus Johns Sebastian Kraemer James Krantz Mary Lindsay Julian Lousada Louise Lyon David Malan Gillian Miles Lisa

Miller Mary Morgan Nell Nicholson Anton Obholzer Paul Pengelly Maria Rhode Margaret Rustin Michael Rustin Edward R Shapiro Valerie Sinason Jenny Sprince John Steiner Jon Stokes David Taylor Judith Trowell Margot Waddell and Gianna Williams The Tavistock Century traces the developmental path taken from the birth of a progressive and inspirational institution From their wartime and post war experience John Rickman Wilfred Bion Eric Trist Isabel Menzies John Bowlby Esther Bick Michael Balint and James Robertson left us a legacy of innovation based on intimate observation of human relatedness The book contains entries across the full range of disciplines in the lifecycle extending for example from research to group relations babies adolescents couples even pantomime It will be of enormous value to anyone working in the helping professions clinicians social workers health visitors GPs teachers as well as social science scholars and a host of others who are directly or indirectly in touch with the Tavistock wellspring

The Handbook of Child and Adolescent Psychotherapy Monica Lanyado, Ann Horne, 2013-01-11 This Handbook provides a comprehensive guide to the practice and principles of child and adolescent psychotherapy around the world Contents include a brief introduction to the child psychotherapy profession its history and development a review of the theory underlying therapeutic practice an overview of the varied settings in which child psychotherapists work analysis of the growth of the profession internationally an examination of areas of expertise around the world a summary of current research Contributors are experienced practitioners from within a diverse range of schools and approaches and so provide a well rounded picture of child and adolescent psychotherapy today The Handbook of Child and Adolescent Psychotherapy will be an essential resource for professional psychotherapists students of psychotherapy social workers and all professionals working with disturbed children

Child and Adolescent Psychoanalysis in a Changing World Catalina Bronstein, Sara Flanders, 2023-07-14 This book applies psychoanalytic insight to work with children and adolescents in a changing often traumatic world Each chapter considers how psychoanalysis can develop and be developed assessing how in the modern world psychological disturbance and psychological trauma is manifest in new unfamiliar ways From new and different social and technological realities to the internet and new sexual discourse each chapter explores how the analyst can hold onto fundamental psychoanalytic understandings of mental functioning address the young patient s or family s need for containment while respecting the importance of drives the varieties of psychosexuality and the powerful impact of anxiety on psychological development In relation to children these authors disclose the potential destructiveness of impingements from adults on a precious vulnerable development This collection is essential reading for all psychoanalysts and psychoanalytic psychotherapists as well as other health and educational professionals working with children and adolescents

Reason and Passion David Bell, 1997 First published in 1998 Routledge is an imprint of Taylor Francis an informa company

Short-term Psychoanalytic Psychotherapy for Adolescents with Depression Simon Cregeen, 2018-03-08 Short term Psychoanalytic Psychotherapy STPP is a manualised time limited model of psychoanalytic psychotherapy comprising twenty eight weekly sessions for the adolescent patient and

seven sessions for parents or carers designed so that it can be delivered within a public mental health system such as Child and Adolescent Mental Health Services in the UK It has its origins in psychoanalytic theoretical principles clinical experience and empirical research suggesting that psychoanalytic treatment of this duration can be effective for a range of disorders including depression in children and young people The manual explicitly focuses on the treatment of moderate to severe depression both by detailing the psychoanalytic understanding of depression in young people and through careful consideration of clinical work with this group It is the first treatment manual to describe psychoanalytic psychotherapy for adolescents with depression

Finding a Way to the Child Margaret Rustin, 2022-12-30 Margaret Rustin's writing is characterised not only by its subject matter which is diverse but by her imaginative sensitivity to the emotional lives of children and young people the depth of her understanding and her original insights into the complexities of child and adolescent psychotherapy Here a selection of her work edited by Kate Stratton and Simon Cregeen is brought together in a collection which focuses mainly on clinical issues and concerns the dynamics of the interaction between patient and therapist in the consulting room the task of assessment the particular needs of children and young people whose early development has been distorted by trauma loss or neglect and the framework and skills required for effective psychoanalytic work with parents Illustrated by vivid narratives detailing the strains and possibilities of the therapeutic encounter this book is a record of clinical work and thinking over 50 years of psychoanalytic practice It will prove essential reading for psychoanalysts and child analysts child psychotherapists all those training as mental health professionals in work with children and parents and anyone with an interest in deepening their understanding of the emotional lives of children and young people

Autism and Personality Anne Alvarez, Susan Reid, 2013-04-15 Taking a psychoanalytic and developmental approach *Autism and Personality* outlines in considerable detail the new developments in therapeutic techniques used by the Tavistock Autism Team and Workshop to treat autistic children It also underlines the importance of support for parents and siblings who are all too often ignored under considerable stress The book presents fresh ideas about the importance of personality for the developmental course of the condition and the implications for psychotherapeutic technique Using case vignettes to illustrate the theoretical ideas emerging from the Workshop coupled with case studies which highlight the patient's changing contact with the therapist it gives a fascinating picture of the individuality of each child and of the sensitivity and skill required for each treatment Accessible to professionals and also to parents *Autism and Personality* is a valuable insight into the nature and course of this condition and its treatment
