

SHORT ANSWER STUDY GUIDE QUESTIONS – Pygmalion

Act One

1. What purpose does the rain shower serve? **It brings together different social classes under the shelter from the storm. Otherwise, Eliza and Higgins would never have met.**
2. The note taker is assumed to be of what profession? What actually is his profession? **He is assumed to be a detective because he is taking notes. He is actually a professor of languages.**
3. What does the note taker say about a "woman who utters such depressing and disgusting sounds"? **She has no right to be anywhere, not even a right to live.**
4. The note taker brags about what he could do for the flower girl within three months. What does he claim? **He could pass her off as a duchess at the Embassy Ball.**
5. Who takes the cab Freddy brings? Why? **Eliza does. Higgins has given her money, and she feels rich.**
6. What do Higgins and Pickering have in common? **They are both acutely interested in languages.**

Act Two

1. When Higgins recognizes the flower girl, what is his reaction? **Go away—he's already recorded enough of her particular dialect.**
2. What does Eliza Doolittle want? **She wants to speak English well enough to work in a flower shop.**
3. Even after he agrees to teach her, what is Higgins' attitude towards Eliza? **He is a bully with no respect for her or her feelings.**
4. Describe Mrs. Pearce's role. **Mrs. Pearce serves as a mother figure for Eliza. She also tries (unsuccessfully) to serve as Higgins' conscience, trying to make him recognize that changing someone's life creates responsibility.**
5. Eliza determines to leave rather than to be further insulted. How does Higgins persuade her to stay? **Chocolates.**
6. What is the point of the bath scene? **Poor people didn't necessarily have access to "luxuries" like baths. She has never seen herself without clothes.**
7. Mrs. Pearce makes some suggestions to Higgins. What are they? **He should quit swearing; in particular, he should quit saying "bloody." He also needs to be dressed when he comes to breakfast and not leave things lying about.**

Social Perception and Social Reality Lee Jussim,2012-04-06 Social Perception and Social Reality contests the received wisdom in the field of social psychology that suggests that social perception and judgment are generally flawed biased and powerfully self fulfilling Jussim reviews a wealth of real world survey and experimental data collected over the last century to show that in fact social psychological research consistently demonstrates that biases and self fulfilling prophecies are generally weak fragile and fleeting Furthermore research in the social sciences has shown stereotypes to be accurate Jussim overturns the received wisdom concerning social perception in several ways He critically reviews studies that are highly cited darlings of the bias conclusion and shows how these studies demonstrate far more accuracy than bias or are not

replicable in subsequent research Studies of equal or higher quality which have been replicated consistently are shown to demonstrate high accuracy low bias or both The book is peppered with discussions suggesting that theoretical and political blinders have led to an odd state of affairs in which the flawed or misinterpreted bias studies receive a great deal of attention while stronger and more replicable accuracy studies receive relatively little attention In addition the author presents both personal and real world examples such as stock market prices sporting events and political elections that routinely undermine heavy handed emphases on error and bias but are generally indicative of high levels of rationality and accuracy He fully embraces scientific data even when that data yields unpopular conclusions or contests prevailing conventions or the received wisdom in psychology in other social sciences and in broader society *Illinois Education* ,1956 **ENC Focus**
