Proceedings of the International Conference on Law, Economic & Good Governance (IC-LAW 2023) Abdul Kadir Jaelani, Irwansyah Irwansyah, Fokke Fernhout, Agus Raharjo, Mohd Rizal Palil, Hilaire Tegnan, Okid Parama Astirin, Sutarno Sutarno, Venty Suryanti, Pranoto Pranoto, Robbi Rahim, 2024-02-21 This is an open access book The position of Indonesia and most countries in IMF calculations facing the same challenges Each country requires the legal instruments of a good and reliable system of Government to guards against the worst possible economic turmoil Good governance is an insistence of the constitution in the economic Article 33 paragraph 5 subsequently published Constitution Number 30 Year of 2014 on Government Administration contains 17 principles of a good governance One of the important points of the principle is a government without corruption and manipulation of policy concepts in order to provide access to consolidation in politics and economy The latest Transparency International report for 2023 shows that Indonesia s corruption perception index was recorded at 34 points on a scale of 0 100 in 2022 This is a 4 point decrease from the previous year This decline in the CPI also brought down the ranking of Indonesia s CPI globally It was noted that Indonesia s CPI in 2022 ranked 110th In the previous year Indonesia s CPI was ranked 96th globally Good Governance is all aspects related to the control and supervision of the power of the Government in carrying out its functions through formal and informal institutions To implement the principles of Good Governance and Clean Government the Government must implement the principles of accountability and efficient resource management Good and clean governance will contribute to economic growth and economic growth will have an impact on human development During the last decades of 20th century the needs for a good governance has given some impacts and became a recurring theme in literature related to human development The intervention of government or the quality of government become crucially important in relation to the high achievement of human development Whereas an effort in improving society s welfare is through economic development One of dominant aspects in economic development is through legal development Good law or policy in such country will have some impacts to the existence of good economic growth because supremacy of law is one aspect of a good governance Law supremacy is an important institution which is related to economic growth because rule of law ensures personal safety property rights unbiased contract enforcement stability of politics freedom of speech and control of corruption According to those various issues and debates on economic legal development and good governance then the Doctoral Program of the Faculty of Law Sebelas Maret University needs to hold an international

conference as a place in exchanging some academic ideas in order to contribute to those legal issues with a theme INTERNATIONAL CONFERENCE ON LAW ECONOMICS AND GOOD GOVERNANCE Teacher Reform in Indonesia Mae Chu Chang, Sheldon Shaeffer, Samer Al-Samarrai, Andrew B. Ragatz, Joppe de Ree, Ritchie Stevenson, 2013-12-18 The book features an analysis of teacher reform in Indonesia which entailed a doubling of teacher salaries upon certification It describes the political economy context in which the reform was developed and implemented and analyzes the impact of the reform on teacher knowledge skills and student outcomes (Un) Civil Society and Political Change in Indonesia Verena Beittinger-Lee, 2013-01-11 *Un Civil Society and Political Change in Indonesia* provides critical analysis of Indonesia's civil society and its impact on the country's democratization efforts that does not only take the classical pro democratic actors of civil society into account but also portrays uncivil groups and their growing influence on political processes Beittinger Lee offers a revised categorization of civil society including a model to define the sphere of uncivil society more closely and to identify several subcategories of uncivil society This is the first book to portray various uncivil groups in Indonesia ranging from vigilantes militias paramilitaries youth groups civil security task forces and militant Islamic and other religious groups ethnonationalist groups to terrorist organizations and groups belonging to organized crime Moreover it provides the reader with an overview of Indonesia's history its political developments after the democratic opening main improvements under the various presidents since Suharto's fall constitutional amendments and key reforms in human rights legislation This book will be of interest to upper level undergraduates postgraduates and academics in political science and Southeast Asian studies

Indonesian Private International Law Afifah Kusumadara, 2021-03-25 This book is the leading reference on Indonesian private international law in English The chapters systematically cover the whole of Indonesian private international law including commercial matters family law succession cross border insolvency intellectual property competition antitrust and environmental disputes The chapters do not merely cover the traditional conflict of law areas of jurisdiction applicable law choice of law and enforcement The chapters also look into conflict of law questions arising in arbitration and assess Indonesian involvement in the harmonisation of private international law globally and regionally within ASEAN Similarly to the other volumes in the *Studies in Private International Law Asia* series this book presents the Indonesian conflict of laws through a combination of common and civil law analytical techniques and perspectives providing readers worldwide with a more profound and comprehensive understanding of the subject **Assessing Constitutional Performance** Tom

Ginsburg, Aziz Huq, 2016-08-30 From London to Libya from Istanbul to Iceland there is great interest among comparative constitutional scholars and practitioners about when a proposed constitution is likely to succeed But what does it mean for a constitution to succeed Are there universal criteria of success and which apply across the board Or is the choice of criteria entirely idiosyncratic This edited volume takes on the idea of constitutional success and shows the manifold ways in which it can be understood It collects essays from philosophers political scientists empiricists and legal scholars that approach the

definition of constitutional success from many different angles It also brings together case studies from Africa Europe Latin America the Middle East and Asia By exploring a varied array of constitutional histories this book shows how complex ideas of constitutional success play out differently in different contexts and provides examples of how success can be differently defined under different circumstances **The Politics of Citizenship in Indonesia** Eric Hiariej,Kristian

Stokke,2022-02-10 This book highlights the gains that a citizenship approach offers to the study of democracy in Indonesia demonstrating that the struggle for citizenship and the historical development of democracy in the country are closely interwoven The book arises from a research agenda aiming to help Indonesia s democracy activists by unpacking citizenship as it is produced and practiced through movements against injustice taking the shape of struggles by people at grassroots levels for cultural recognition social and economic injustice and popular representation Such struggles in Indonesia have engaged with the state through both discursive and non discursive processes The authors show that while the state is the common focal point these struggles are fragmented across different sectors and subject positions The authors thus propose that developing chains of solidarity is highly important to motivating a democracy that not only has sovereign control over public affairs but also robust channels and organisations for political representation In advocating the development of transformative agendas organisations and strategies as an important need and an enduring challenge for the realization of citizenship this book is timely and relevant to the study of contemporary Indonesia s socio political landscape It is relevant to students and scholars in political science anthropology sociology human geography and development studies Indonesia

Air Force Handbook Volume 1 Strategic Information and Weapon Systems IBP, Inc, Educational Administration Innovation for Sustainable Development Aan Komariah,Taufani Kurniatun,Dedy Kurniady,Rita Anggorowati,Ade Gafar Abdullah,Asep Nandiyanto,2018-08-06 The International Conference on Research of Educational Administration and Management ICREAM held on October 17 2017 in Bandung West Java Indonesia The aim of ICREAM is to provide a platform for educators administrators managers leaders policy makers researchers scholars principals supervisors graduate students practitioners academicians professionals and teachers from different discipline backgrounds to present and discuss research developments and innovations in the fields of educational administration It provides opportunities for the delegates to exchange new ideas and application experiences to establish business or research relations and to find global partners for future collaboration **Nationalism and Youth in Theatre and Performance** Victoria Pettersen Lantz,Angela

Sweigart-Gallagher,2014-07-11 Nationalism and Youth in Theatre and Performance explores how children and young people fit into national political theatre and moreover how youth enact interrogative patriotic and or antagonistic performances as they develop their own relationship with nationhood Children are often seen as excluded from public discourse or political action However this idea of exclusion is false both because adults place children at the center of political debates with the rhetoric of future generations and because children actively insert themselves into public discourse Whether performing a

national anthem for visiting heads of state creating a school play about a country's birth or marching in protest of a change in public policy young people use theatre and performance as a means of publicly staking a claim in national politics directly engaging with ideas of nationalism around the world This collection explores the issues of how children fit into national discourse on international stages The authors focus on national performances by and for youth and examine a wide range of performances from across the globe from parades and protests to devised and traditional theatre Nationalism and Youth in Theatre and Performance rethinks how national performance is defined and offers previously unexplored historical and theoretical discussions of political youth performance
