GENERAL:

This Purchase Order is an offer by [Company Name] or an affiliated entity of [Company Name] [Full Name] ("Buyer") to the seller listed on the accompanying Purchase Order.

[Full Name] ("Seller") and acceptance is limited to its provisions without additions, deletions, or other modifications. Buyer will not be responsible for goods or services delivered without issuance of its standard Purchase Order.

ACCEPTANCE:

This Purchase Order may be accepted by delivering the goods or services by the specified delivery date. This Purchase Order is limited to the terms and conditions:

- I. specified herein
- II. Specified on the face of the accompanying Purchase Order
- III. If applicable, specified in Buyer's written agreement with Seller.

Acceptance of all or part of the goods or services shall not

- I. Waive Buyer's right to cancel or return all or any portion of the goods or services that do not conform to the Purchase Order
- II. Bind Buyer to accept future shipments of goods or services
- III. Preclude Buyer from making any claim for damages or breach of warranty. All purchases are subject to inspection and rejection by Buyer notwithstanding prior payment. Rejected goods will be returned at Seller's expense for transportation both ways and all related labour and packing costs. No goods returned as defective by Buyer shall be replaced by Seller without written permission of an authorized agent of Buyer.

Buyer may at any time, by written order, make changes within the general scope of this Purchase Order in any one or more of the following:

- I. Drawings, designs or specifications
- II. Method of shipment or packing
- III. Place of delivery.

If any such change causes an increase or decrease in the cost of, or the time required for, the performance of this Purchase Order, Seller may request an adjustment in the price or delivery schedule, or both, and the Purchase Order shall be modified in writing accordingly upon agreement by the parties.

Global Purchasing and Supply Management Victor H. Pooler, David J. Pooler, Samuel D. Farney, 2005-12-19 Achieving the promise of e business Two divergent approaches exist in purchasing and supply management organizations today which give at least the perception of conflicting direction 1 Some organizations counseled by consultants and e procurement software suppliers but without a clear understanding of current actual procurement processes have implemented expensive systems with the expectations of tremendous savings and spectacular supply chain improvements The results often haven t lived up to the claims 2 Many buyers and purchasing managers failing to grasp the potential benefits from e procurement have resisted change and not given their full support to system improvements Those who have delayed have missed the opportunities of vastly improved processes and supplier contributions Both have valid viewpoints but neither has delivered on the true promise of supply chain improvements so the lessons of this book should benefit both Active supporters of e procurement can benefit from understanding the nuts and bolts approach to the fundamental supply management processes in a global context Moreover buyers and their managers with a better vision of the future will be better prepared to adapt to and support the needed changes
