Psychosis Marie James, Gina Sevani, Shauna Kruse, 2015-12-07 Matthew Hosea FanFiction Novella Louisiana born Tennessee raised sweet talking country boy Matthew Hosea is now the new panty melting heartthrob model of the Author World He steals many hearts with his sexy voice and muscular body Matthew spends his days staying extremely busy between being Active Duty Navy a Nutrition Sales Representative and a part time Bouncer at the local bar Not to mention the two a day gym visits He has no time for women to take permanent residence in his life The last thing he needs on top of such a crazy ass schedule is drama Leia Walker has had nothing but a troubled chaotic life Sometimes it s hard for her to stick to reality when fantasy is much more pleasurable Besides it s easier to control Temptation is hard for Leia to fight it s constantly dangling right in front of her She spends her time hanging out in the shadows waiting for the perfect man her eyes are set on Matthew Hosea the new inked model taking the world by storm The connection she feels is undeniable Matthew s the perfect man for her he just doesn t know it yet It s a dangerous and wild game that s being played What will Leia do to get what she wants Just how far is she willing to go

Extreme Religious Behaviours Johannes

Bronkhorst, 2024-06-17 Certain religious behaviours clearly reduce biological fitness These behaviours include celibacy along with various forms of asceticism and rituals that harm the performer Such behaviours are found in widely different cultures How is this possible This book shows that these behaviours as is religion in general are by products of features of the human mind whose evolutionary fitness is beyond doubt and explores those features Which are those features This book proposes a twofold answer It draws attention to the layered nature of human consciousness in which different manners of experience are superimposed on each other This goes a long way toward accounting for the universal religious belief in some kind of transcendental world a higher reality different from ordinary reality The layering of consciousness comes about in childhood and gains in prominence with the acquisition of a first language which is the second feature highlighted in this book Together these features explain a variety of normal religious behaviours and beliefs and account for the possibility of mystical experience They also explain the occurrence of behaviours that do not augment evolutionary fitness

Devil's Causeway

Matthew Westfall, 2012-09-06 As the United States prosecuted a bloody campaign to pacify its newly won Philippines territory at the turn of the nineteenth century a secret mission of mercy went terribly wrong The result was a prisoner of war crisis the likes of which our nation had never encountered before The epic struggle for survival that followed was not only a test of the human will to live but a crucible for heroes And yet what was touted as a heroic rescue operation extended a war by almost two years and cost the lives of thousands In April 1899 Admiral George Dewey dispatched the USS Yorktown to liberate a detachment of Spanish soldiers under siege by Filipino rebels To reconnoiter enemy defenses one of the Yorktown s armed cutters manned by a crew of fifteen sailors was sent toward shore And then it happened Defying orders Lieutenant James C Gillmore Jr recklessly pushed upriver into heavy jungle and headlong into an ambush that would kill four of his men

The survivors were dragged across mountains and through dense jungle from one pestilent prison to the next along what Gillmore called a veritable Devil s Causeway Their captivity and the torturous expedition sent to recover them recalled today as one of the greatest marches in US Army history features a tightly hewn cast of characters including a frail yet determined teenaged sailor and his hardened seafaring mates battle tested veterans of the Civil War and the Indian Wars and a fiery revolutionary commander who gave orders to bury wounded Americans alive A sweeping military epic drawing on international primary sources The Devil s Causeway tells their extraordinary story in its entirety for the first time *Feature Films, 1960-1969* Harris M. Lentz III,2009-12-29 This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U S theatrical release but major foreign films exhibited in the United States as well The following information is provided for each film year of release nation of origin if other than the U S production or distribution company black and white or color running time genre production credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1972 **Traditional Churches, Born Again Christianity, and Pentecostalism** Yonatan N. Gez,2018-09-08 In Kenya s vibrant urban religious landscape where Pentecostal and traditional churches of various orientations live side by side religious identity tends to overflow a single institutional affiliation While Kenya s Christianity may offer modes of coping with the fragilities of urban life it is subject to repeated crises and schisms often fueled by rumors and accusations of hypocrisy In order to understand the unfolding of Kenyans dynamic religious identities and inspired by the omnipresent distinction between religious membership and church visits Yonatan N Gez considers the complementary relations between a center of religious affiliation and expansion towards secondary practices Building on this basic distinction the book develops a theoretical innovation in the form of the religious repertoire model which maps individuals religious identities in terms of three intertwined degrees of practice **Celebrity Biographies - The Amazing Life Of Brittany Anne Murphy - Famous Actors** Matt Green, Ever wondered how Brittany Murphy rose to stardom This is the biography of the unfortunate Brittany Murphy an actor whose career had barely begun and was dead at the age of 32 on December 20 2009 The official statement of the coroner was that the primary cause of death was pneumonia exacerbated by anemia However her premature demise became shrouded with mystery when her husband Simon Monjack died barely six months later in the same house where she died and under the same primary cause of death pneumonia exacerbated by anemia For more interesting facts you must read the biography Grab your biography book now **Feature Films, 1960-1969** Harris M. Lentz,2001 This is a filmography of not only all of the English language movies made during the 1960s that had a theatrical release but major foreign films exhibited in the United States as well The films are listed alphabetically and the following information is provided for each year of release nation of origin if other than

the United States production distribution company black and white notation if not in color running time genre production credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways *Rewriting the Nation* Aleks Sierz,2011-01-25 This is an essential guide for anyone interested in the best new British stage plays to emerge in the new millennium For students of theatre studies and theatre goers *Rewriting the Nation* British Theatre Today is a perfect companion to Britain s burgeoning theatre writing scene It explores the context from which new plays have emerged and charts the way that playwrights have responded to the key concerns of the decade and helped shape our sense of who we are In recent years British theatre has seen a renaissance in playwriting accompanied by a proliferation of writing awards and new writing groups The book provides an in depth exploration of the industry and of the key plays and playwrights It opens by defining what is meant by new writing and providing a study of the leading theatres such as the Royal Court the Traverse the Bush the Hampstead and the National theatres together with the London fringe and the work of touring companies In the second part Sierz provides a fascinating survey of the main issues that have characterised new plays in the first decade of the new century such as foreign policy and war overseas economic boom and bust divided communities and questions of identity and race It considers too how playwrights have re examined domestic issues of family of love of growing up and the fantasies and nightmares of the mind Against the backdrop of economic political and social change under New Labour Sierz shows how British theatre responded to these changes and in doing so has been and remains deeply involved in the project of rewriting the nation **Play Among Books** Miro Roman,Alice_ch3n81,2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science
