Declining Democracy in East-Central Europe Attila Ágh, 2019 The dramatic decline of democracy in East Central Europe has attracted great interest world wide Going beyond the narrow spectrum of the extensive literature on this topic this book offers a comprehensive analysis of ECE region Czech Republic Hungary Poland Slovakia and Slovenia from systemic change in 1989 to 2019 to explain the reasons of the collapse of ECE democratic systems in the 2010s

The Public in Law Haris Psarras, Dr Christopher McCorkindale, Dr Claudio Michelon, Mr Gregor Clunie, 2013-02-28 Bringing together established academics and new researchers the chapters in this collection interrogate the operation of the public in a range of different legal illegal and alegal spaces The key question which frames the contributions is whether and in what manner the public operates as an interface between law and society allowing the interests and opinions of the population at large to be represented and reflected in legal discourse such that collectively generated imperatives may be imposed upon political and economic actors Multi disciplinary in its approach the volume reflects an understanding that there is more to the role of the public in relation to law than the conventional demarcation of the field of public law and that this relationship is open to comment from a wide range of actors

Misogyny and Media in the Age of Trump Maria B. Marron, 2019-12-19 *Misogyny and Media in the Age of Trump* argues that misogyny has increased in the United States under President Trump and that although women s experiences under misogyny are by no means universal patriarchal social and institutional systems facilitate gender based hostility Systemic misogyny and power inequities are at the root of male on female bullying the bullying and harassment of non hegemonic males and other minorities as well as sexual harassment rape and even murder Given the prevalence of misogyny and its deep rootedness in religion it is argued that the social contract needs to be rewritten in order to have a just gender and race equitable society Misogyny creates a clash of cultures between men and women hegemonic and non hegemonic males feminists and INCELS the powerful and the oppressed natives and marginalized minorities the conservative and the liberal progressive This book explores misogyny across media ranging from

political and editorial cartoons to news sport film television social media especially Twitter and journalistic organizations that address gender inequities The authors argue that the current era of conservative populism ushered in by President Donald Trump and the Republicans constitute the social cultural and political environment that have given rise to the MeToo Movement and Fourth Wave Feminism *Routledge Handbook of Climate Change and Society* Constance Lever-Tracy,2010-07-12 As the time scales of natural change accelerate and converge with those of society Routledge Handbook of Climate Change and Society takes the reader into largely uncharted territory in its exploration of anthropogenic climate change Current material is used to highlight the global impact of this issue and the necessity for multidisciplinary and global social science research and teaching to address the problem The book is multidisciplinary and worldwide in scope with contributors spanning specialisms including agro forestry economics environmentalism ethics human geography international relations law politics psychology sociology and theology Their global knowledge is reflected in the content of the text which encompasses chapters on American European and Chinese policies case studies of responses to disasters and of the new technological and lifestyle alternatives that are being adopted and the negotiations leading up to the Copenhagen conference alongside a preface assessing its outcomes Starting with an initial analysis by a leading climatologist key issues discussed in the text include recent findings of natural scientists social causation and vulnerability media and public recognition or scepticism and the merits and difficulties of actions seeking to mitigate and adapt This accessible volume utilizes a wealth of case studies explains technical terms and minimises the use of acronyms associated with the subject making it an essential text for advanced undergraduates postgraduate students and researchers in the social sciences

Public Opinion Democratic Ideals Democratic Practice: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year.

Public Opinion Democratic Ideals Democratic Practice : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
