Matchmaker Box Set Books 1-4: The Complete Steamy Contemporary Romance Series Jade C. Jamison, Devour the entire Matchmaker series in this bundle Find out why readers like Sue describe this concept as a fun and sexy game Follow Claire in her quest for love and fame in this reverse harem bundle One woman Four weeks Five men Just one chance Looking for Love After years of putting love on the back burner and struggling to break into Hollywood as an actress I jumped on an opportunity to do both by accepting the chance to be the pursued woman in a reality television show called Matchmaker Choosing among five men hand picked specifically for me should be easy but by the time I ve discovered that not all of the men are ideal it s way too late There s no getting out of this contract And when I attempt to salvage the situation I m met with the harsh reality that I don t really have a choice after all Steamy Kisses After last week s elimination I might have thought that having one less man to deal with in reality show Matchmaker would have made my life easier but boy was I wrong As we all get to know one another better I ve discovered that being compatible with each man doesn t make him an

ideal mate And as we make our way through another week of dates I've discovered that one of them a man who's beginning to capture my heart doesn't even want to be here First Comes Love Now that we're down to three men I'm afraid I'm falling in love with them all Will the man I end up with truly be the right one for me Or will I wind up in hell with the wrong guy Then Comes Marriage We're down to the last two men vying for my hand and what had seemed to be every woman's dream has become a wretched nightmare These men who'd seemed perfect for me are deeply flawed and now I'm questioning if I even want to spend a lifetime with them But now it's too late I'm locked in and praying that maybe I can turn it into a match made in heaven Lose yourself in the Matchmaker series where the line between make believe and reality is blurred

Ettington, Welcome to this book about intuition and prophecy My first book on the Topic was over ten years ago and is titled Prophecy A History and How to Guide That one was a general overview of the topic This book is much more focused on how intuition and prophecy skills can be used to improve your life So what are intuition and prophecy and why are they important These two things are spiritual abilities which we all have and which allow us to see outside of the present Like athletes some of us have more natural abilities than others However we can train and exercise our abilities to improve our lives Prophecy is a more advanced form of intuition and has been used throughout history Intuition is more about being immediately aware of what or who is around us while Prophecy is focused specifically on the future While intuition is more immediate it too can be very useful In fact all spiritual abilities can help or hinder our lives This is true of any physical or

mental abilities I've also included a lot of information on the history of prophecy and research into the paranormal to show that people have been aware of these subjects throughout history and in modern times they have been researched by scientists. Lastly, I want to say that like learning anything new, there are things to watch out for, but like all things we do, there are risks and rewards. Hoping you enjoy this material and the stories related here.
