Right To Die And Euthanasia Library In A Book:

The Right to Die Derek Humphry, Ann Wickett, 1987 This book is an attempt to explain the complexities of the most controversial issue of the 1980s and 1990s against the historical legal religious and cultural background The Right To Die is the result of objective research into and analysis of a subject that is not only controversial but difficult to define quickly or easily a person's right to choose to die whether alone or with help of another In 1988 an attempt in California to change the law to permit physician assisted suicide of a terminally ill person failed Fresh reform attempts were made in Washington and Oregon in 1991 and in California again in 1992 In *The Right To Die* the authors give a complete history of the subject beginning with Greek and Roman attitudes toward dying They cover active and passive euthanasia suicide mercy killing and the medical and legal issues as well as the moral and ethical questions on both sides Back cover [Library of Congress Subject Headings](#) Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, 1992 **Library of Congress Subject Headings: F-O** Library of Congress. Subject Cataloging Division, 1988 *Library of Congress Subject Headings* Library of Congress. Office for Subject Cataloging Policy, 1991

The Chronic Silence of Political Parties in End of Life Policymaking in the United States Bianca Easterly, 2019-06-04 In recent decades the level of moral acceptability of choice at the end of life has reached record highs Legislative responsiveness to public opinion however has resulted in far fewer and much slower adoption patterns For example if a growing number of Americans support aid in dying legislation why are so few states adopting them While extensive research that explores matters of death and dying from the medical legal and religious perspectives exists scholars have yet to consider the role of politics in explaining end of life policy adoption patterns *The Chronic Silence of Political Parties in End of Life Policymaking in the United States* retraces the right to die movement's legislative history from its beginnings to the adoption and diffusion of its most recent innovations the Physician Orders for Life Sustaining Treatment POLST Paradigm and death with dignity to identify the various forces that hinder its progress [National Library of Medicine Current Catalog](#) National Library of Medicine (U.S.), 1993 *Library of Congress Subject Headings: P-Z* Library of Congress. Subject Cataloging Division, 1989 *Silenced in the Library* Zeke Jarvis, 2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free This examination of banned books across U S history examines the motivations and effects of censorship shows us how our view of right and wrong has evolved over the years and helps readers to understand the tremendous importance of books and films in our society Books ranging from classics such as *A Farewell to Arms* *Lord of the Rings* *The Catcher in the Rye* and *The Color Purple* as well as best selling books such as *Are You There God It's Me Margaret* titles in the Harry Potter series and various books by bestselling novelist Stephen King have all been on the banned books list What was the content that got them banned who wanted them banned and did the ban have the desired effect of minimizing the number of people who read the title or did it have the opposite effect inadvertently creating an even

larger readership for the book *Silenced in the Library Banned Books in America* provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption Included in its discussion are explanations of the true nature of the objections along with the motives of the authors publishers and major proponents of the books Content is organized based on why the books were banned such as sexual content drug use or religious objections This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years Readers will come away with a fuller appreciation of the immense power of words on a page or an eReader device to inflame and outrage influence opinion incite thought and even change the course of history

When Is It Right to Die? Joni Eareckson Tada, 2018-01-30 More and more people who are terminally ill are choosing assisted suicide *When is it Right to Die* offers a different path with alternatives of hope compassion and death with real dignity Joni Eareckson Tada knows what it means to wrestle with this issue and to wish for a painless solution For the last 50 years she has been confined to a wheelchair and struggled against her own paralysis And she sat by the bedside of her dying father thinking So much suffering why not end it all quickly painlessly The terminally ill the elderly the disabled the depressed and suicidal can all be swept up into this movement of self deliverance Skip the suffering Put a quick end to merciless pain and mental anguish These are tempting enticements to the hurting Joni doesn't give pat answers Instead she gives warm comfort from God and practical help to meet the realities for those facing death *When Is It Right to Die* tells the stories of families who have wrestled with end of life questions and found that death with dignity does not necessarily mean three grams of Phenobarbital in the veins Behind every right to die situation is a family A family like yours In her warm personal way Joni takes the reader into the lives of families and lets them speak about assisted suicide What they say is surprising Whether you have a dying family member facing moral and medical choices or struggling with a chronic condition that feels overwhelming this book will help you find practical encouragement and biblical advice to help you make difficult decisions This book is revised and updated to examine the current events trending issues and the rising acceptance of assisted suicide in this country

Euthanasia and Assisted Suicide Michael J. Cholbi, 2017-01-26 This book addresses key historical scientific legal and philosophical issues surrounding euthanasia and assisted suicide in the United States as well as in other countries and cultures Euthanasia was practiced by Greek physicians as early as 500 BC In the 20th century legal and ethical controversies surrounding assisted dying exploded Many religions and medical organizations led the way in opposition citing the incompatibility of assisted dying with various religious traditions and with the obligations of medical personnel toward their patients Today these practices remain highly controversial both in the United States and around the world Comprising contributions from an international group of experts this book thoroughly investigates euthanasia and assisted suicide from an interdisciplinary and global perspective It presents the ethical arguments for and against assisted dying highlights how assisted dying is perceived in various cultural

and philosophical traditions for example South and East Asian cultures Latin American perspectives and religions including Islam and Christianity and considers how assisted dying has both shaped and been shaped by the emergence of professionalized bioethics Readers will also learn about the most controversial issues related to assisted dying such as pediatric euthanasia assisted dying for organ transplantation and suicide tourism and examine concerns relating to assisted dying for racial minorities children and the disabled
