

Title: Bamboo Bamboo Names **Lullaai** as a Best Parenting and Baby Apps of 2022

Lullaai is pleased to report that our **Lullaai:Baby Sleep App** was included in the “[9 Best Parenting and Baby Apps of 2022](#)” list published by the leading baby eco-friendly tableware website, bamboobamboo.com.

This article’s focus was on parent’s satisfaction, which is a huge testament to the work done by Lullaai team to make parenting a lot easier and less stressful.

“Thank you Bamboo Bamboo, for recognizing the passion and care that the team places into taking care of each mother and spain” Daniel Valledor de la Cañina, Director of Marketing.

[bamboo bamboo](#) is an environmentally conscious brand with products made from 100% bamboo: all-natural, organic, and multi-purpose plates with a silicone suction base that is a must for any parent as they help babies go through messy and fussy eating stages with more ease. The creator of the brand, Joel Parks appears in many famous media outlets to share his story of how a side hustle became a successful business encouraging parents to lead a zero-waste lifestyle while mixing functionality and cuteness.

Inclusion in the Best Parenting and Baby Apps list is a big honor for Lullaai: Baby Sleep App..
